LABOR AGREEMENT

THIS AGREEMENT made and entered into as of the 30th day of September 2022, by and between Hallcon Corporation (hereinafter referred to individually and collectively as the "Employer"), and United Electrical, Radio and Machine Workers of America (UE) Locals 155, 716, 977, 1077, 1177 & 1477 (hereinafter referred to as the "Union").

WITNESSETH

WHEREAS, it being mutually desired between the parties to bring about and effectuate a spirit of fair dealing, promote the general welfare of the railroad transportation industry and its employees, to maintain the highest standards of safety and cooperation of the industry, holding it in high public repute while resolving disputes and grievances amicably, the parties hereto agree with each other as follows:

ARTICLE 1 RECOGNITION AND SCOPE OF AGREEMENT

The Employer hereby recognizes the Union as the sole and exclusive bargaining agent, for the purposes of establishing wages, hours, benefits and conditions of employment, for all full-time and regular part-time road

drivers, yard drivers, radius drivers, shuttle drivers, lead drivers, yard managers and yard coordinators employed by the Employer and currently organized by the UE Union at, or out of the rail yards located in the States of California, Colorado, Illinois, Indiana, Ohio, Oklahoma, New Jersey, New Mexico, Nevada, Louisiana, Wisconsin, Houston, Galveston TX, St. Louis MO, Memphis TN, Chicago, IL Amtrak, Brewster and Willard OH, Tucumcari and Albuquerque NM, Fort Madison IA, Peoria IL, Keenan, Proctor, Ranier, Two Harbors MN, Pokegama, Portage, Green Bay, Chippewa Falls, Ladysmith, Milwaukee, WI; Topeka & Herrington KS as well as any and all future locations that the Employer is contracted to perform work within a 200 mile radius of the locations covered by this Agreement and in Alliance, Bellevue, Cleveland, Crestline, Youngstown, Carey Station, Mansfield and Portsmouth Ohio; but excluding all office clerical employees and guards, professional employees and supervisors as defined in the National Labor Relations Act. The locations covered by this Agreement shall constitute one single bargaining unit.

This Agreement shall also apply to any future sites at which the Union is lawfully recognized as the collective bargaining representative of employees of the Employer. In such cases wage rates (yard, road and shuttle/radius), paid time off (PTO) provisions and benefit contributions shall be negotiated by the Union and the Employer, but all other terms of this Agreement shall apply. The employees currently covered under this Agreement, and those who opt into this Agreement during its terms shall constitute a single bargaining unit.

Upon written request of the Union, the Employer will recognize the Union without an NLRB election if the Union secures a simple majority of authorization cards of the Employees in the proposed bargaining unit, with independent neutral party verification of majority status.

ARTICLE 2 UNION SECURITY & DUES CHECKOFF

SECTION 1: UNION SECURITY

The Employer will not attempt to discourage nor interfere with the right of any employee to join the Union. The Employer will not discriminate against, interfere with, restrain, or coerce any employee because of membership or lawful activity in the Union. The Union will not discriminate against or harass any employee who chooses not to join the Union. The Employer shall distribute in a neutral manner: Union welcome literature and membership cards electronic links to all new employees. The Employer shall promptly collect fully executed membership cards and or submit the signed cards to Uniondues@hallcon.com and a UE email at railcrew@ueunion.org. The Employer agrees that the executed card shall be enrolled in dues deductions no later than the month following submission. The Employer will also promptly identify which drivers have and have not returned executed Union membership cards.

(a) Subject to applicable law, all employees of the Employer covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement or who become members of the Union in good standing following the effective date of this Agreement shall as a condition of employment remain members in good standing insofar as the payment of periodic dues and initiation fees, uniformly required, is concerned.

(b) Subject to applicable law, all present employees who are not members of the Union and all individuals hired after the effective date of this Agreement shall as a condition of employment, beginning on the sixtieth (60th) day following the effective date of this agreement or the sixtieth (60th) day following employment, whichever is later, become and remain members of the Union in good standing, insofar as the payment of periodic dues and initiation fees, uniformly required, is concerned.

SECTION 2: DUES

The Union shall assume all responsibility for the distribution and collection of payroll deduction assignment cards for Union dues, assessments, initiation fees or agency fees. Upon receipt of such payroll deduction assignment cards, the Employer agrees to deduct Union membership dues and initiation fees levied by the International Union or the Local Union, through a method mutually agreed to by the Employer and the Union, from the pay of each employee upon receipt of a signed "Authorization for Check-Off of Dues" Form and as long as the employee continues to authorize such deductions in writing. Such forms will be supplied by the Union along with the electronic link.

Barring any unforeseen circumstances beyond our control, sums deducted under the above provisions shall be remitted to the Financial Secretary-Treasurer of the corresponding UE Local designated by the Union on a monthly basis, no later than the 10th day of the following month deductions were taken out of employee's earnings. If for any reason, dues are not deducted from that pay, the deduction will be made from the next

check. Dues arrears shall not be tabulated nor deducted by the Employer for drivers granted a Leave of Absence, Workers Compensation or Medical Leave. Upon return from work from the Leave of Absence, Workers Compensation or Medical Leave, the driver(s) shall be restarted on regular dues deductions and pay dues if the driver has hours worked in the month of their return.

SECTION 3: NEW EMPLOYEE ORIENTATION

The Employer will notify the Union of the date and time of pre-arranged new-hire orientation sessions 24 hours prior to the session. The Union shall have thirty (30) minutes on the property to address the new hires at the end of the new-hire orientation. The Union personnel as well as new employees shall be paid for the 30 minutes. This will count as hours worked and will be compensated.

ARTICLE 3 HOURS AND WORKWEEK

SECTION 1: WORK WEEK

Shuttle, radius and yard hours of work will be eight (8) hours per day, 40 hours per week or 12-hour shifts. The normal hours of work for road drivers will be forty-eight (48) hours per week. Road drivers will mark up on their road board for no less than 48 hours each week. This is not a requirement that they work 48 hours. There shall be no penalty for a road driver refusing additional work above the normal hours of work in a work week. Drivers in van parked areas who complete the normal hours for the week shall be taken off the board. This shall not prevent the driver from working on their off day, should they choose to do so. The work week will begin at 12:00 a.m. on Sunday and end at midnight the following Saturday. For New Jersey drivers the work week will begin at 12:01 a.m. on Friday and end at 12:00 midnight the following Thursday.

SECTION 2: WORK SCHEDULES

Before a permanent change of start times for regularly scheduled shuttle, radius or yard assignments in a particular location, the Employer will give the Union and affected employees ten (10) days advance notice and the opportunity to discuss the change. In cases when the Employer receives less than ten (10) days' notice from its customer, the Employer shall inform affected employees as soon as possible. If the employer or its client cancels up to 7 days of work, the Employer shall schedule affected drivers in attempts to supplement the affected drivers for their time missed within the next 14 calendar days if such work is available. This shall not apply in the case of emergencies, when employees are called in to cover the shift of another employee due to absences, for shift changes of less than two (2) weeks or shift changes that do not affect all employees.

All fulltime road employees shall be scheduled two consecutive days off by seniority, unless the employee requests staggered off days. When yard or shuttle shifts are re-bid or newly created, managers will make every effort create schedules for the yard or shuttle where the off days are consecutive

Yard drivers, shuttle and radius drivers will be scheduled at least two days off by seniority, but they may not be consecutive. Yard drivers can be regularly scheduled for less than 40 hours per week. Yard drivers are also allowed to be scheduled for 1 or more days in the yard and work on the road board in any given week if the HOS requirements are met.

Drivers will not be penalized for failing to answer a call or respond to a call from the Employer on the driver's day(s) off.

SECTION 3: AVAILABLE WORK SELECTION

Drivers shall be given preference for available work hours based on seniority.

A.) Radius, shuttle & Yard drivers shall be allowed to preference additional available scheduled work in the location they are assigned by seniority. If a driver is regularly scheduled less than 5 days in a workweek and available scheduled days open up in the yard, shuttle or radius location in which they work, the driver with seniority in the particular location shall be awarded that work. Drivers are allowed to remain part time, with 1 or 2 or 3 or 4 scheduled shifts per week.

B.) Road drivers shall select their assigned days off two (2) times per year by seniority on or about August 31st and March 1st of each year. Local management shall begin this process no later than February 15th and August 15th respectively. All drivers on each road board shall be called by local management and offered to change

scheduled off days at least 2 weeks prior to the March 1st and August 31st dates. If a driver is skipped, the process shall be repeated until all drivers are given the opportunity to change or keep their scheduled off days.

C.) The Employer will make every reasonable effort not to deviate from the general rotation on the 'board' except for customer service or operational reasons but agrees that it will not so deviate in a discriminatory manner, or in any way that creates a pattern of favoring junior drivers over those with more seniority.

D.) Drivers who are rested and assigned to a particular location shall have preference where non-routine work (standing orders, flag jobs, irregular jobs, assists awarded by dispatch etc) becomes available based on seniority. Management shall use and maintain a regular overtime list to be used for each yard, road-board and railroad. Drivers must request in writing to be on the overtime list or to be taken off the overtime list.

SECTION 4: ROAD DRIVER 40 HOUR GUARANTEE

The Employer shall make every reasonable effort to assign drivers at least forty (40) hours of work per week. However, in no event shall this be construed as a guarantee of hours per day or week. The Employer shall continue to regularly provide to the Union (should the Employer provided directly to the steward, or upon request) a bi-weekly report with the following information:

- a) The actual and target road driver count by location based on 120% of trailing 6-week volumes (hours).
- b) The average usage of OOA hours per location over the past 2/4/6 week trailing period.
- c) The average number of hours dispatched, the number of trips accepted, and trips worked per driver location over the past 2/4/6 week trailing period.

SECTION 5: LAYOFFS OF ROAD DRIVERS WHEN OVERSTAFFED

A location that data shows road drivers averaged 32 hours or less per week and drivers were available to work is deemed to be overstaffed. Secondary vendors and OOA drivers shall not be utilized in the overstaffed location(s) unless drivers are unavailable for work or there is an emergency. If reducing the secondary vendor and OOA does not correct the low hours, a reduction in force will be triggered by inverse order of seniority.

SECTION 6: NO TEMPORARY WORK

The Employer shall not hire temporary workers or contract employees (not including taxis) out work prior to a 30-day electronic notice to the Union as outlined in Article 25.2.

If new or restarted work is not scheduled or is non-routine and the work is created to last less than 30 days, this work will be awarded according to Article 6.

If the new or restarted work is 30 days or longer, the employer shall post and award the job based on Article 18.

ARTICLE 4 WORK TIME

SECTION 1:

Work time shall include but not be limited to: Meal and rest periods, time spent on an assigned yard, shuttle or radius shift, time spent on an assigned trip, time spent after being dispatched for a trip but waiting for an Employer vehicle, time spent waiting for a crew, all time spent performing vehicle inspections, all time spent performing van swaps, all time spent performing vehicle maintenance (including wait time and time spent driving to and from the maintenance facility), Department of Transportation (DOT) Physical (including wait time and time spent driving to and from the facility), all time spent performing washing vans and or cleaning the interior of the vehicles (including wait time and time spent driving to and from the facility), undergoing testing for controlled substances and/or alcohol (including wait time and time spent driving to and from the testing facility), and all time spent processing necessary paperwork for the Employer, fueling the vehicle, training, Employer business, time spent in any disciplinary meetings, ROC meetings, retraining and safety meetings. All work time shall be deducted from Hours of Service.

SECTION 2: PAYMENT FOR VAN SWAP DRIVERS

Once a driver receives a trip under the board rotation system, the driver's work time will initiate and terminate as follows:

- The Start time will begin at the scheduled pick-up time or the arrival time (whichever is earlier) for all home trips. Estimated times shall have no bearing on how a driver is paid for the work performed.

- Away trips will begin when the driver departs for their pickup.
- The end time will terminate at the final drop location for home drops.
- The end time will terminate at the end of trip for away from home drops.

A driver shall be deducted only one commute time per 24-hour period. A commute time is understood to be the period of time from home location. They will not be charged a second commute time.

There shall be only one physical address assigned to any location for the road drivers home location. The Employer shall not change this location without first notifying the Union at least 30 days prior to a change.

For purposes of defining home locations, the home location will be considered any trip that originates or ends in the **California**: UP Yard at Glendale, for Glendale employees, the UP Yard in Long Beach for Long Beach employees, the UP yard in San Jose for San Jose employees, the UP Yard in Oakland/Richmond for Oakland employees, the BNSF Yard in Oakland/Richmond for Richmond employees, and 410 J Street or other location in the vicinity of 9th-10th and Chestnut for Marysville employees; Keddie 200 Crescent St Quincy, CA In **Illinois**: Chicago IL, Bedford Park IL CSX 6620 S Lavergne Bedford Park, Cicero F74 5601 West 26th St Cicero, IL, Hillside F74A drivers 4400 Frontage Rd Hillside, IL, 85 McClure Rd Aurora for Aurora drivers, and LPC for Joliet drivers 26664 S. SECTION 3: FOR AREAS WHERE DRIVERS PARK VANS

The start and end time for all drivers shall be when the driver logs into the IVR and starts or ends a trip.

ARTICLE 5 ROAD BOARD ROTATION

SECTION 1: ON AND OFF THE BOARD DURING WORKEEK

A driver who has been on a road rotation board for at least 12 consecutive hours (combination of all on-call, on duty, drive time, and Employer business time) may contact a Local Manager to put themselves onto rest for 9 undisturbed consecutive hours. It shall be the responsibility of the employee to monitor and determine his or her length of time on a rotation board under this Section.

All road drivers on days off shall be taken off the board. Road drivers that wish to work overtime must be listed on the overtime list and shall be booked onto the board by management at the bottom of the board.

All road drivers in van parked areas on rest shall ride the board until they refresh in the position they were at. Drivers with less than 2 hours shall be placed on rest. A driver shall have the right to book off the board during this period and shall start back to work at the bottom of the board. A driver that books rest shall be on rest until the rest period is completed.

All road drivers in Van Swapped areas on rest shall be taken off the board and come back off rest at the bottom of the board. Drivers with less than 2 hours shall be removed from the board for van swap.

A road driver that accepts a yard shift shall be rotated to the bottom of the board. The road driver shall be paid at their road rate or other premiums, whichever is highest when working that yard shift. The yard hours worked shall be deducted from the road drivers' available hours and HOS.

The Employer shall implement the above proposals by no later than December 1, 2022.

SECTION 2: ROAD DRIVERS FIRST CALL TO WORK AT THE BEGINING OF THE WORKWEEK.

The first call to work after days off shall be 48 hours from the last hours worked.

SECTION 3: ANSWERING THE FIRST CALL TO WORK AFTER REST

The first call to work shall be via telephone. Other methods can be added to augment the first call to work.

Road drivers should remain available for work if they are to remain on the road board. Drivers should remove themselves from the board prior to receiving a trip if they are fatigued or going on rest. If a road driver in number 1 position does not respond after two phone calls, the dispatcher shall go to the second driver on the road board. The driver in number 1 position shall receive a second call to work. The driver in number 1 position that did not respond to the 2nd call to work shall be moved to the bottom of the board. Dispatch shall call the second driver at least two times before moving to the next driver in line.

SECTION 4: VAN PARKED LOCATIONS ONLY:

On call road drivers will be dispatched by a board rotation system. If a driver receives an initial trip that is 4 hours or less, they shall be placed in the #1 position on the road board for their next HOS qualified trip and they will be placed back on the top of the board behind the last short trip driver, on a first in, then first out basis This shall only be permitted one time within 9 hours of the commencement of their first trip. The driver shall be placed at the bottom of the board after the second trip.

SECTION 5: VAN SWAP BOARD ROTATION RULES ONLY

1. On call drivers will be dispatched by a board rotation system. Once a driver receives a run, they will continue to receive trips until their hours for the day are completed. Driver rotation for these drivers will be determined by first in first out.
2. A driver that is unavailable for work for any reason, including rest, will be removed from the board. Upon their return, they will be placed at the bottom of the board.
3. If a driver has less than 2 hours (1 hour and 59 minutes or less) of HOS, they will be automatically put on rest and removed from the board.
4. Drivers shall not be made to perform van swaps during their hours of rest or on their scheduled days off. Before going on rest or days off, a driver should complete a van swap with the driver's assigned van partner. If a driver is going off duty or on rest and not able to swap the van, they must contact a local manager. If management fails to answer, the driver shall text the manager and the driver is released for rest. Drivers should attempt to not go on rest or days off in possession of a van without permission from a local manager. On Call Drivers, in non-parked areas, will continue to be able to take their van home.

SECTION 6: FAIR BOARD ROTATION VAN SWAP & VAN PARK

No driver shall be disciplined if they are provided less than 45-minute notice from the time the driver accepts the trip dispatch to the time the employee starts the trip.

ARTICLE 6 OVERTIME & TEMPORARY YARD VACANCIES

SECTION 1: CONDITIONS

Time and one-half an employee's regular hourly rate shall be paid for all work performed in excess of 40 hours per week, this includes safety training, vehicle inspection, disciplinary meeting or any other category listed in Article 4 Work Time. Road drivers shall be paid time and one half for all hours worked over 40 hours at their road rate of pay. With due regard for the need for efficient operations, the Employer will make every reasonable effort to give advance notice of overtime work for each yard, shuttle and radius board as soon as possible and to distribute overtime equally by seniority.

Management shall use and maintain a regular overtime list to be used for each yard, shuttle and radius road-board and railroad. Seniority for those that have signed the overtime list shall be the guiding factor for the distribution of overtime. Drivers must request in writing to be on the overtime list or to be taken off the overtime list.

SECTION 2: TEMPORARY SHUTTLE, RADIUS OR YARD VACANCIES

When a scheduled or unscheduled vacancy occurs in a yard, shuttle and radius location, or new work is ordered by the railroad, the Employer shall fill the vacancy immediately by calling employees by seniority order from the overtime list in the following order prior to the start of the shift:

1. An employee assigned to the yard, shuttle or radius board in which the vacancy occurs who is scheduled for less than 40 hours.
2. By offering to split the shift between employees scheduled for 8 hours assigned to the shift prior to and after the vacancy. For 12-hour employees, step 3 will be followed below:
3. By calling the first out road driver assigned to the board that works from the yard, radius, shuttle in which the vacancy exists. If the first out Road Driver refuses to accept the yard radius, shuttle shift or is not yard qualified, the working manager can proceed to the second person on the board and offer the shift. If the second person refuses, the working manager will proceed to Step 4 below. The entire road board is not to be called to find coverage. No driver shall be disciplined for refusing a yard, shuttle or radius shift. Road drivers covering temporary vacancies shall be paid at their road rate.
4. By calling rested and available full-time yard drivers assigned to the yard in which the vacancy occurs in seniority order, provided, that the Employer need not call an employee who is either a.) Is not rested for the vacant position, or b.) Would not be rested for their own shift by virtue of working the vacant position.

No driver shall be penalized for covering a yard vacancy under this Section by virtue of being forced to miss an otherwise regularly scheduled shift/day for which the driver is rested and available. The Employer shall have the option to allow the employee to work the shift/day at the applicable premium rate, or to require the employee to miss the shift/day and pay the employee eight (8) hours at the employee's regular rate. In the event the Employer opts to pay and require the employee to miss the shift/day, the hours paid to the employee shall not count as hours worked.

SECTION 3: NO PENALTY FOR COVERING VACANCY

No driver shall be penalized for covering a yard vacancy under this Section by virtue of being forced to miss an otherwise regularly scheduled shift/day for which the driver is rested and available. The Employer shall make every effort to avoid mandatory overtime.

Driver shall be paid time and one half (1 ½) for any mandatory overtime or being told to stay over without prior notice of 72 hours or more. This does not apply in States where the payment of overtime after 8 hours is mandatory.

SECTION 4: CALIFORNIA AND NEVADA DRIVERS OVERTIME

Time and one-half (1&1/2) an employee's regular hourly rate shall be paid for all work performed in excess of eight (8) hours in a workday or forty (40) hours per work week as well as two times their hourly wage rate for all hours worked over twelve (12) hours in a work day. The Employer shall pay an employee time and one half (1&1/2) for the first eight (8) hours worked on any 7th consecutive day of work in any work week and double time for any hours worked over eight (8) on the 7th consecutive day.

The Employer shall have the option to allow the employee to work the shift/day at the applicable premium rate, or to require the employee to miss the shift/day and pay the employee eight (8) hours at the employee's regular rate. In the event the Employer opts to pay and require the employee to miss the shift/day, the hours paid to the employee shall not count as hours worked.

ARTICLE 7 BREAKS & MEAL PERIOD

All drivers shall have the right for one (1) thirty (30) paid meal break during each 8-hour period. In addition, all drivers shall have the right to take two-ten-minute rest breaks for each 8 hours worked. All drivers will take breaks in a manner that does not disrupt customer service.

Managers and supervisors will notify the Railroad of such meal and break periods if the railroad facility is not abiding by this provision.

Drivers have the right to waive their meal period. The Employer shall relinquish control over the employee's duties and permit a reasonable opportunity for an uninterrupted 30-minute paid meal period. The first meal period shall take place after no more than 5 hours of work and a second meal period after no more than 10 hours of work.

The work period of 8 hours shall be inclusive of the 30-minute paid meal break and two-10-minute paid rest breaks. All drivers shall have the right to refuse work while on either their paid meal break or paid rest break (s). Meal and break periods may not be combined nor used at the end of the shift.

The 12-hour Shuttle, radius and yard driver shifts shall be afforded all meal and break period rights under this contract.

CALIFORNIA DRIVERS ONLY

All drivers who work more than six (6) hours a day must take an uninterrupted meal period of at least 30 minutes during which they are to be relieved of all duties. Meal periods must begin by the end of an employee's fifth hour of work. Employees who work no more than six (6) hours a day may voluntarily agree to waive their meal period (in writing) for that day if their supervisor agrees to allow such a waiver. Employees who work over six (6) hours may not waive their meal period. Employees who work more than ten (10) hours a day must take two uninterrupted meal periods of thirty (30) minutes each during which they are relieved of all duties. The second meal period must begin by the end of an employee's tenth hour of work. Employees are not to be on-call or on-duty during either rest breaks or meal periods. Employees should not perform any work during either rest breaks or meal periods. For example, when Road Drivers are asked to return telephone calls as soon as possible, it does not mean Road Drivers are to interrupt their meal periods or rest breaks. They should return calls only after they completed their uninterrupted rest break or meal period. Employees should not decide on their own that business needs will prevent them from taking timely meal and rest breaks. Before either missing or taking a late meal or rest break, employees are required to first check with their supervisor so that adjustments can be made if necessary.

The Employer must provide a 30-minute paid meal period if the driver is on duty more than five hours, except if the total work period is no more than six hours. Meal periods may be waived. A second meal period of not less than thirty minutes is required if an employee works more than ten hours, except that if the total hours worked is no more than 12 hours, the second meal period may be waived only if the first meal period was not waived. Meal periods are counted as hours worked. The Employer shall provide a means for drivers to log in and out their meal period via the IVR or other electronic means.

ARTICLE 8 FATIGUE

Road Drivers who are fatigued or ill are to call dispatch, to be removed from or placed on rest the Board prior to being called out. If management or a member of dispatch calls a driver while on rest, the drivers rest shall be extended for up to 8 hours at the driver's option.

Road drivers shall be berthed at the Employer's expense if the driver is away from their home city and the driver is out of HOS hours or fatigued. Drivers shall be berthed will be paid a per diem of \$35.00 per night. The Employer agrees to berth the employee in a nearby hotel as soon as possible. Should a driver feel the provided housing on a OOA assignment presents a threat to their health or safety, they may immediately request an inspection of the housing facility and should the claims be validated, they shall be moved to an alternate and improved housing situation. Should a dispute arise over the validity of such a claim, the Union will be notified and take action as it sees fit to remedy the situation.

Road drivers are responsible for obtaining proper rest.

Road drivers who notify the Employer that they are unable to accept a trip due to fatigue and remove themselves from the board prior to call-out, will not be subject to discipline as defined in the discipline and discharge article. If the driver is on a trip, and or has called dispatch to be removed from the board and they are called for another trip, the driver cannot be disciplined for refusing the next trip if they are fatigued.

ARTICLE 9 GRIEVANCE PROCEDURE

Grievances not filed or advanced by the timelines outlined below shall be deemed closed and shall not proceed further in the grievance procedure unless the parties mutually agree to extend the timelines. Grievances shall be taken up as follows:

STEP 1: Any employee who has a grievance may, at their option, discuss the same with the Site Supervisor or Regional Manager with or without a steward, in order to resolve the matter before reducing it to writing. If the matter is not resolved, the grievance may be reduced to writing and filed with the Regional Manager or their designee by the steward within fourteen (14) calendar days of the event giving rise to the grievance.

The Regional Manager or his or her designee will hold an in-person meeting at or near the employee's work/reporting location within seven (7) days from the date on which the grievance is filed. The grievance will be assigned a grievance number by Hallcon Corporation Labor Relations when sent to grievances@hallcon.com.

The Regional Manager or his or her designee will submit a written answer to the grievance within seven (7) days after the Step 1 meeting is held. The Step 1 response will be provided by e-mail at the email address designated by the Union.

STEP 2: If the grievance has not been satisfied in Step 1 the Union may refer the grievance to the General Manager or his designee within seven (7) calendar days after the Employer's written Step 1 response. Step 2 meetings will be held via telephone and within ten (10) days from being advanced to Step 2. The Union and the Employer are responsible for scheduling of Step 2 grievances on a date that works for both parties.

The General Manager will submit a written answer to the grievance within seven (7) calendar days after the grievance is discussed at a Step 2 meeting. The General Manager's response may either be provided via e-mail, at the email address provided or via US Mail to the Union Office address designated by the Union.

STEP 3: If the grievance has not been satisfied in Step 2 the Union may refer the grievance to the Labor Relations Manager or the Director of Labor Relations within fourteen (14) calendar days after the Employer's written Step 2 response was due. Notification of advancement must be given to the Employer's Director of Labor Relations or the grievances@hallcon.com electronically.

The Labor Relations Manager or the Director of Labor Relations or his or her designee will arrange a meeting within 7 days from the advancement of the grievance to the 3rd step, unless the parties mutually agree to an extension.

In cases involving discharge, or a class action grievance shall be filed at Step 3 and the Steward shall notify the UE Conference Board Secretary of the filing of the grievance.

The Labor Relations Manager or the Director of Labor Relations will submit a written answer to the grievance within seven (7) calendar days after the grievance is discussed at a Step 3 meeting. The General Manager's response may either be sent via email, or it shall be sent via U.S. Mail to the Union's office.

Grievances involving terminations may be submitted directly to Step 3. Stewards may investigate grievances during work time so long as there are no interruptions or interference with customer service due to such investigation by either the steward or any other employee.

If the Employer fails to answer a third step grievance within 30 days of the 3rd step grievance meeting, the grievance shall be granted. The Union may warn the Employer prior to the 30-day grievance granted deadline.

ARTICLE 10 ARBITRATION

If the grievance is not settled in Step 3 and the Employer's final answer is not satisfactory to the Union, the Union may appeal the grievance to arbitration by giving written notice of its desire to arbitrate to the Director of Labor Relations or his designee within 30 calendar days after the date of the Employer's Step 3 response. If a grievance is not so advanced to arbitration within thirty (30) calendar days, it shall be denied and the basis for the grievance shall be waived.

If the grievance is appealed to arbitration, the Union may request a panel of arbitrators from FMCS from whom the Employer and the Union shall alternately strike names, with a flip of a coin determining the party striking first to select an arbitrator.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The award of the arbitrator shall be final and binding on the Employer, the Union and the employees involved. The expense of the arbitrator, including the fee shall be shared equally by the Employer and the Union.

ARTICLE 11 DISCIPLINE AND DISCHARGE

SECTION 1: JUST CAUSE

No employee shall be disciplined or discharged except for just cause.

SECTION 2: UNION REPRESENTATION

An employee shall, upon request, have the right to have a Union steward or representative who is available present whenever the employee is to be interviewed regarding events or behavior which may lead to possible future discipline of the employee. In the event a Union steward is not immediately available, the Employer shall wait until a steward is available before proceeding with any such interview, not to exceed forty-eight hours. This pre-disciplinary meeting can take place over the phone or by video conference with the Union Steward present. In such cases, the driver and the steward shall be paid for the meeting. Nothing contained in this Section shall infringe upon an employee's Weingarten Rights. In areas where Road Drivers take vans home (non-parked), Stewards will continue to be able to take the Employer's vehicle to 1st and 3rd step grievance meetings.

SECTION 3: NOTICE OF DISCIPLINE AND RULE VIOLATION

The Employer shall give a copy of any written and or electronic disciplinary action to the affected employee on the date such disciplinary action is taken, and on working time. The Employer will notify the Union in writing electronically every Friday of all employee suspensions and terminations. Any driver given a coaching or ROC over the phone shall be paid a minimum of two hours pay at their regular rate. The date for disciplinary meetings shall be set up between the parties mutually. Drivers shall not be penalized for being unavailable for disciplinary meetings over the phone.

No driver who receives a "Chargeable Accident or Incident Letter" as described in the Employers Handbook shall be disciplined or terminated based solely on a letter being generated based on an alleged accident or incident. This will not apply to violations based on information contained in a driver's MVR report.

SECTION 4: PROGRESSIVE DISCIPLINE

The Employer shall adhere to its policy of progressive discipline except in those cases where the totality of the circumstances warrants departure from the general progressive disciplinary steps, and in circumstances which warrant immediate discharge under the Employer's work rules or policies provided such policies are compliant with this Agreement. For purposes of progressive discipline, discipline shall remain active in an employee's file for only three (3) months. At such time, except in extra-ordinary circumstances, the discipline shall no longer be considered as a factor in assessing discipline against an employee. Discipline shall not be removed from an employee's file under any circumstances. Discipline tracks shall not be stacked. Rather, safety violations, Employer policy violations and attendance violations will progress separately.

For the purposes of progressive discipline, hotline complaints in and of themselves shall not amount to policy, safety or attendance violations unless such hotline complaint is specifically investigated and proven and unless the involved employee is afforded notice and an opportunity to respond to the complaint.

Discipline shall be given within five (5) calendar days of the Employer's knowledge of the infraction, unless the Employer reasonably has not concluded its investigation into the matter triggering the discipline, in which case the Employer will notify the employee and the Union of the need to continue the investigation.

Road drivers who exhibit a pattern of and/or excessive instances of removing themselves from the board, refusing a trip or failing to complete an assigned trip shall be subject to progressive discipline. Discipline for attendance includes: refused trip, failure to respond, late trip, yard absence and/or late arrival or departure.

SECTION 5: FIELD REQUEST, HR HOLD AND SUSPENSION

Managers shall not place drivers on field request in a retaliatory manner or for a driver requesting to exercise their Weingarten rights. Drivers who are in pending investigation status shall be notified immediately along with Union. Drivers that are disciplined and receive a suspension shall serve the suspension immediately.

All suspensions, HR Hold, Field Hold and or ongoing investigations shall be paid if such discipline is unwarranted.

ARTICLE 12 DRIVECAM OR OTHER SURVEILLANCE

SECTION 1: DRIVECAM

In instances where the Employer is engaged in the surveillance of employees through the use of DriveCam, drivers shall not be disciplined for the mere fact that the DriveCam is activated. However, in such instances when the DriveCam is activated and it records an unsafe driving event, violation of Employer work rules, policies or a safety violation, the employee shall be subject to discipline under the Employer's disciplinary policy. The Employer shall take into account the totality of the incident in administering such discipline. The Union reserves the right to contest any such discipline under the Grievance and Arbitration procedures set forth in Articles 9 & 10 of this Agreement. Retraining resulting from a DriveCam incident is not considered discipline under Articles 9, 10 & 11 (Grievance, Arbitration, Discipline and Discharge) of this Agreement.

SECTION 2: DRIVECAM & RULE VIOLATIONS

The Employer shall share a requested DriveCam video with a union steward upon request. The video requested must be within 60 days of the event in question.

The Employer shall not place drivers on field request because they request Union representation for a DriveCam review, but if a driver declines the Employer's first attempt to schedule such a review due to a request for Union representation, the Employer will immediately identify an alternate time for the meeting, and the meeting will be held at that time regardless of whether a Union representative is present. It shall be the employee's responsibility to request, obtain and procure Union representation if desired.

SECTION 3: DRIVECAM REVIEW MEETINGS

All time spent at a DriveCam review meeting shall be compensated at the employee's regular or overtime rate, whichever applies. Road drivers attending DriveCam review meetings shall enter "Employer business" code into the IVR system for time actually spent in the meeting. Yard drivers attending DriveCam review meetings outside of regularly scheduled work hours shall complete a training verification form to ensure proper compensation. Union representatives shall not be paid for time spent representing employees at DriveCam review meetings.

To the extent possible, DriveCam review meetings will take place during regularly scheduled work hours. The Employer shall not require an employee to attend a DriveCam review meeting on the driver's day off.

SECTION 4: DRIVECAM OR OTHER SURVEILLANCE

The Employer will conduct DriveCam review meetings for radius, road, shuttle & yard drivers at the employee's assigned reporting location or by video conference. Note: radius drivers may be required to meet a manager anywhere in the field during a shift to conduct a DriveCam review meeting.

ARTICLE 13 UNION ACTIVITY

SECTION 1: UNION VISITATION

Union Representatives shall have access to the Employer's facilities subject to the requirements of the Railroad for the purpose of administering this Agreement provided such visits do not interfere with the duties assigned to employees or interfere with any of the operations with the Employer. The Union representative shall contact the appropriate management person or his/her substitute before visiting the work site. The Employer will provide authorization forms to the Union regarding E Rail Safe Certification in order for Union Representatives to gain access to rail yards where necessary.

SECTION 2: UNION STEWARDS

The Union shall notify the Employer of the names of stewards and other Union officers who will be responsible for administering this Agreement. Road drivers conducting such business shall not be required to remove

themselves from the board. In the event that a road driver steward removes themselves from the board to conduct business as described above in this Section, the road driver shall be placed back in the rotation board in the position last held when returning to service. It shall be the responsibility of the steward to contact dispatch to make any necessary adjustment under the Section.

Stewards shall have the right to investigate and process grievances during work hours, provided such activities do not interfere with, delay, or impact the responsibilities of the steward or any other employee.

The Employer shall make reasonable efforts to hold scheduled first step grievance meetings at or near yard stewards' regularly assigned work location during the stewards' shifts. If the stewards' work load does not permit the meeting to take place during their regularly scheduled shift, then the meeting shall still take place at or near the stewards' work location, but the stewards' time shall not be compensated.

SECTION 3: UNION LEAVE OF ABESENCE

The Employer will not unreasonably deny Union requests for employee leaves of absence for Union activities, provided such requests are made at least seven (7) days in advance of the date upon which the leave is to begin. Leaves requested less than seven (7) days' notice shall not be unreasonably denied.

Any employee on Union Leave under this Section shall accumulate seniority during the period of their leave of absence. Upon completion of such leaves of absence, such employees shall upon the basis of their accumulation of seniority, be returned to their former or similar position at the going rate at the time of their return, and without loss or prejudice to any of their rights and privileges.

SECTION 4: UNION BULLETIN BOARDS

The Employer shall provide Bulletin Boards at the Employer's facilities for the exclusive use of the Union.

ARTICLE 14 HEALTH AND SAFETY

SECTION 1: GENERAL

The Employer accepts responsibility for maintaining a safe and healthy workplace free of recognized hazards that are causing or likely to cause injury or illness to the employees except for such hazards which are in the control of the Railroad and such hazards which may be on the Railroads property which are outside the control of the Employer.

If the Employer or railroad requires safety equipment to be used by drivers, the Employer Hallcon shall provide all equipment and pay all related costs in obtaining and maintaining said items.

If a yard, road or radius driver is required to keep the van clean, inside or out, the Employer shall pay for all cleaning supplies, no exceptions.

SECTION 2: PROPANE AND OTHER NEW FUEL TYPES

All drivers working in locations where alternative fuel is utilized shall be given full training to understand the risks associated with new fuel types.

SECTION 3: TEMPORARY SPEED RESTRICTIONS

The Employer, at its discretion, may temporarily restrict drivers' maximum speed to an amount lower than the posted speed limit when adverse weather conditions occur. When the driver's speed is restricted and the employee wishes to proceed at a normal rate of speed due to the driver's opinion that weather conditions allow greater speed than such restrictions allow, the employee shall call the Regional Manager or Regional Director and shall request forbearance of such restrictions. If such permission is granted to travel at the normal rate of speed, the driver shall not be disciplined for exceeding any temporary restriction but would still be required to adhere to the Employer's normal speed policy. Any driving violations incurred due to drivers following driving restrictions ordered by the Employer shall not be used against the driver nor shall be cause for discipline.

SECTION 4: DIRECTION BOOKS

The Employer shall maintain books, GPS or similar location resource to be kept in each van that contain a complete description of each stop (physical location) a driver may travel to. Should the site supervisors not keep

these books up to date, the drivers of that particular van will not be subject to discipline for issues related to the incomplete book (example-late trip because driver didn't know the stop).

SECTION 5: TIRE REPAIRS

Drivers shall make a reasonable effort to change a flat tire.

SECTION 6: SAFE VEHICLES

No Employee shall be disciplined for refusing to drive an unsafe vehicle nor shall any employees be required to drive a unsafe vehicle. The Employer shall not require Employees to take out of park and drive any vehicle that is not in safe operating condition. It shall not be a violation of this agreement or the basis for discipline where Employees refuse to operate such equipment unless such refusal is unjustified.

SECTION 7: VEHICLE INSPECTION

Once every three (3) months during the regular monthly van inspections, the Employer and a designated Union representative will conduct a joint van safety inspection. The Union representative will be paid their regular wages (RDHR if they are a road driver) by the Employer. This time shall count as work time and deducted from hours of service.

The Employer shall keep the inspection books for the duration of a month. The Employer and the Union will explore an electronic method to report daily inspections.

SECTION 8: EMPLOYER RULES ON SMOKING

Hallcon has a no smoking policy in Employer facilities and vehicles. This includes the use of vape devices, electronic cigarettes, smokeless tobacco or "chew". It is also the drivers responsibility to observe the no smoking policies of our customers.

Yard, Radius, and Hourly Road Drivers undergoing testing for controlled substances and/or alcohol who are not otherwise being compensated by virtue of being on a shift or trip shall be compensated at a minimum one (1) hour for all time undergoing the test, including wait time and time spent driving to and from the testing facility. If it takes longer than an hour to complete the testing, the driver is required to notify a supervisor to make an adjustment for their time.

The Employer will make every effort to utilize drug and alcohol testing facilities within five (5) miles from an employee's reporting location or assigned field office. The Employer will provide the Union with a list of the addresses of all such testing facilities within 30 days from the effective date of this Agreement, and periodically thereafter upon request. Should the Employer be unable to utilize a drug and alcohol testing facility that is within ten (10) round trip miles from an employee's reporting location or assigned field office, then the employee shall be permitted to request a mileage reimbursement at IRS mileage rate for the miles the employee is required to drive to/from the testing facility in the employee's personal vehicle.

ARTICLE 16 SAFETY MEETINGS

Employees shall be paid a minimum of two (2) hours for the time spent attending safety meetings as set forth below. Employees already being paid for a safety meeting by virtue of being on a trip or otherwise logged into

the IVR in a manner that generates compensation shall not be paid extra for attending a safety meeting. Drivers shall not be required to attend safety meetings on their days off. Drivers are responsible for attending safety meetings on days when they are scheduled to work. The Employer shall make every reasonable effort to give three (3) days' notice to employees before holding a safety meeting. In cases where the Employer does not give such notice, employees will not be disciplined or otherwise penalized if they are unable to attend a safety meeting due to late notice.

On Call Road Drivers: On-call road drivers shall attempt to arrange to attend safety meetings while they are on the board and are in possession of a van in a manner that does not disrupt service. On call hourly road drivers shall be permitted to use the Employer vehicle to travel to and from the safety meetings with management approval. On call road drivers will be paid for all time spent attending safety meetings at their hourly rate of pay, plus any applicable overtime.

The Employees attending safety meetings at such an alternative location will receive 15 minutes show up pay for attending the safety meeting in addition to the compensation set out above.

Aurora and Michigan Avenue Drivers: 75 minutes.

Cicero, BRC, Corwith, Willow Springs Drivers: 15 minutes only

The Employer will not discipline an employee for being late due to traffic to attend a safety meeting.

ARTICLE 17 SENIORITY

SECTION 1: DEFINITION AND APPLICATION

Seniority shall be based upon length of service from date of hire. Date of hire shall include previous, consecutive experience in the rail crew transportation industry. Drivers shall verify they worked in that yard or road board with the most recent vendor that had the railroad contract. All other previous and not consecutive seniority shall not be counted, this includes a break in service, two or more vendors having the contract at that location prior to Hallcon having the contract with the railroad. Drivers shall provide written verification of their unbroken service in that location within 30 days of their being hired in order for their seniority to be carried forward.

In all cases of layoffs, recall and permanent transfers, length of service within a particular classification shall govern (i.e. Road vs. Yard) provided the employee has the immediate ability to perform the work in a reasonable manner. Employees last hired into the bargaining unit by classification shall be laid off first. However, any such employee who has greater seniority than another employee within the same classification may bump that employee so long as that employee is qualified to perform the work. If there are no employees with lower seniority in the same classification, the employee may bump a less senior employee in a different classification, so long as the employee is qualified to perform the work. When the Employer recalls from layoff, all employees shall be rehired by order of seniority, provided they have the immediate ability to perform the work in a reasonable manner.

SECTION 2: REDUCTION IN FORCE—LAYOFF

If a van or vans are eliminated in a particular radius, shuttle or yard, the following process shall apply:

1. The Union shall be notified immediately.
2. A list of all affected employees will be developed and shared with the Union within 48 hours of the notice.
3. Bumps will be identified for the drivers when open shifts exist and within 48 hours' notice from the railroad. Drivers will be offered available work open (road or vacant yard shift, assist, etc). Seniority shall prevail in the

case of a layoff. If a senior driver is displaced and a van remains in the location in question, the senior driver can bump a less senior driver by established work shift.

Employees shall accumulate seniority when absent for justifiable reasons, including but not limited to, leaves granted under the provisions of the Family and Medical Leave Act of 1993, a valid workers compensation claim, sickness, jury duty, maternity leave, military service, and leave of absence for Union activity. In the event a layoff becomes necessary the employees shall be given written notice as soon as notice is available, and a copy thereof shall be delivered to the Union steward, except in case of emergency.

Employees with at least six months of service who are laid off shall retain recall rights for up to twelve (12) months from the date of their layoff. Employees who have less than six months of service who are laid off shall have no right of recall. If an employee is called back to work, the Employer shall send a certified letter or overnight letter to the employee's last known address. The Employee shall have 5 days from the date the letter was sent to return to work.

SECTION 2: LOSS OF SENIORITY

An employee may lose seniority due to the following:

(A) Quits or is discharged for just cause.

(B) An employee retires.

(C) If an employee fails to report for work after layoff within five (5) working days after notification by certified letter to return to work.

(D) If a member of the bargaining unit is hired into a supervisory or management position and remains there past 60 days, that driver loses their seniority. If the driver returns to the Bargaining Unit, they shall be restarted on dues deductions.

It shall be the responsibility of the employee to keep the Employer advised of his/her current address.

SECTION 3: SENIORITY LIST

The Employer shall furnish the Union an up-to-date seniority list upon the effective date of the agreement and on the first day of every month thereafter. The list shall include employee name, department, hire date, home address, phone number from Proveo, email address and rate of pay.

ARTICLE 18 RADIUS, SHUTTLE & YARD JOB OPENINGS

SECTION 1: SELECTION

All assigned radius, yard and shuttle openings shall be posted on the Driver Portal, or other electronic technology utilized by the Employer, for a period of five (5) calendar days within 5 days of the job becoming vacant. The Employer shall notify the Union of open positions within 24 hours of its posting. The posting shall include the reporting location, shift start and stop times, days off assigned to the position, and the closing date of the posting.

SECTION 2: VACANT JOBS TO BE POSTED

Drivers injured on the job shall retain the right to be reinstated into their previous position for up to 1 year past their first day of leave. Drivers absent for longer than one year and one day shall retain rights to return to work, but their position may be filled unless other legal protections provide otherwise.

The Employer shall temporarily award open positions for up to one year by seniority in that location.

SECTION 2: PROCESS FOR AWARDED OPEN RADIUS, SHUTTLE AND YARD POSITIONS

The Employer shall award an open position first to laid off employee(s) that previously worked in the location, then to the driver with the longest length of bargaining unit service currently working in the radius, shuttle or yard location for which the opening is posted. A road driver who has 1 or more regularly scheduled days in the location shall be deemed as currently working in the location. A road driver who has been trained and filled in for location shifts shall be deemed as currently working in the location.

If there is no qualified applicant from within the location for which the opening is posted, the Employer shall award the position to the most senior applicant in the bargaining unit. The Employer shall post this open position on the driver's portal to all drivers within a 200 mile location for 5 days.

If two or more applicants have the same seniority date, a coin toss shall determine the awardee. If no bargaining unit member applies for the open position, the Employer may offer the job to an applicant outside the bargaining unit.

SECTION 3: TRIAL PERIOD

Employees will be given a period of at least five (5) calendar days, but no more than sixty (60) calendar days in order to qualify for the posted job and shall have the right to return to their previous job should they fail to qualify. Successful bidders shall have the right to return to the previous job providing the previous job is still open, or hasn't been filled, and that the posted job can be filled. The Employer may return the employee to their previous job if, after five (5) days of working in the posted job, the employee is not qualified to perform the posted job.

ARTICLE 19 LEAVES OF ABSENCE

SECTION 1: GENERAL LEAVE

Employees may request extensions of leaves of absence taken in accordance with the Employer's leave of absence policy. If a leave request is not covered by FMLA, such requests shall be subject to the discretion of the Employer for a period of not more than 30 days. Such requests will not be unreasonably denied.

Employer policy allows for eligible employees to take up to twelve weeks unpaid leave per (rolling) year for the adoption or foster care of a child (with 30 days' notice) or serious health condition of self, spouse, parent or child. Employees are eligible if they have worked for Hallcon for at least one year and have worked 1250 hours over the previous twelve months. A medical certification is required to verify eligibility for leave. The twelve-week period per rolling year is calculated from the start date of the leave.

If the employee fails to return upon expiration of the leave, the employee will be terminated from active status. The only exception will be as required by law such as to accommodate an individual with a disability where a reasonable extension of time off as a personal leave (if approved), would constitute a reasonable accommodation to enable the employee to perform the essential functions of his/her job.

If a requested leave is available under multiple leave policies, the leaves will run concurrent. Questions regarding a leave of absence, should be directed to the Human Resource Generalist at 800-878-0450, ext. 114.

SECTION 2: FAMILY AND MEDICAL LEAVE- FMLA

Bargaining unit employees that meet the hours worked federal FML requirements shall be deemed eligible for FML as described in the Federal Statutes. Employees returning back to active status shall retain their seniority, so long as the employee timely returns to work from FML.

ARTICLE 20 PROBATIONARY PERIOD

Probationary employees may be disciplined, suspended or terminated as the Employer shall determine and are not subject to the just cause, grievance or arbitration contained in this Agreement. A newly hired employee and an employee hired after his or her seniority is broken shall be regarded as a probationary employee for sixty (60) calendar days.

ARTICLE 21 NO DISCRIMINATION

The Employer and Union agree that there shall be no discrimination because of race, color, sex, age, religious belief, national origin, disability, sexual orientation, veteran status or Union activities with respect to the application of any provision of this Agreement.

ARTICLE 22 SEPARABILITY

SECTION 1:

In the event any provision of this Agreement shall be finally held to be invalid or unenforceable, the remaining provisions of this Agreement shall not be affected hereby but shall continue in full force and effect. It is further agreed that in the event such provision is finally held to be invalid, the parties hereto agree to meet within thirty (30) days thereafter to negotiate a modification of, or substitution for, such clause or clauses so held to be invalid.

SECTION 2:

It is agreed and understood by the parties to this Agreement that nothing contained herein shall be in conflict with any existing Federal statutes or any valid rules and regulations made pursuant thereto. Whenever the masculine gender appears, it shall include the female gender.

ARTICLE 23 SUCCESSORS AND ASSIGNS

In the event of a sale, assignment, merger or transfer of majority control of this business, this Agreement shall apply to any successors. However, so long as the Employer notifies any potential purchaser, assignee, successor or transferee of the foregoing provision, the Employer shall not be liable for any damages, or any other liability should the purchaser, assignee, transferee or successor fail to adopt any term of this Agreement.

ARTICLE 24 NO STRIKES/NO LOCKOUT

During the term of this Agreement, neither the Union (its Agents or Representatives), nor any employee shall instigate, authorize, call, support, sanction, encourage, maintain or in any way take part in any strike, sympathy strike, walkout, work stoppage, cessation of work or production, or picketing, of the Employer's locations which are covered by this Agreement because of any dispute between the Employer and the Union or any of the Employer's employees. During the term of this Agreement, there shall be no lockouts.

Notwithstanding any other provision of this Agreement, the Employer shall not discharge or otherwise discipline any employee on the ground that such employee declines during the course of his or her employment to cross a lawful primary picket line (except for picket lines by the Union party to this Agreement, its International or other UE Local(s)) at the Employer's premises.

ARTICLE 25 MANAGEMENT RIGHTS

SECTION 1:

It is agreed that the Union and the employees will cooperate with the Employer within the obligations of this Agreement to construe this Agreement to facilitate the efficient and flexible operation of the Employer's business. The Union recognizes that certain rights, powers, and responsibilities belong solely to and are exclusively vested in the Employer except as they may be subject to a specific obligation of this Agreement. Among these rights, powers, and responsibilities, are all matters concerning or related to the management of the business and administration thereof, and the direction of the working forces, including (but not limited to) the right to suspend, discipline, or discharge for just cause; to lay off for lack of work or for any other legitimate reason; to hire, assign work, determine hours of work, or recall; to make and enforce reasonable rules and regulations; to determine the processes and extent of production; to determine the types and quantities of equipment to be used; to determine the nature, duration, and method of operation, including (but not limited to) to determine the amount, utilization, of personnel and quality of work to insure maximum efficiency of operations; to terminate, merge, consolidate, sell or transfer its business or any part thereof and to determine the number and location of facilities and the extent to which and means by which its facilities or any part thereof shall be relocated, shut down, or abandoned subject to the legal obligations to bargain with the Union over the decision and effect of any such relocation; all of which are vested exclusively in the Employer except as expressly abridged by a specific provision of this Agreement.

to the Union at least 20 days prior to any change and sent by email or other time/date stamped method of communication. The Union, under the grievance and arbitration procedure of this Agreement, retains the right to grieve the reasonableness or contract conformity of any such rule or regulations within thirty (30) calendar days of its being furnished to the Union by certified mail and posted. Should the Union not grieve any such rule or regulation, it shall be deemed reasonable and in conformity with the Agreement and thereby constitute cause for disciplinary action under this Article.

SECTION 3: EMPLOYEE/SUPERVISOR RELATIONSHIP

Your supervisor is your closest contact with the Employer. It is your supervisor's job to see that you fully understand what is expected of you and how to perform your job. S/He also has the responsibility to see that you have everything you need to do your job and that any questions concerning your job are answered. PTO shall be awarded on the employees' anniversary dates. An employee may carry over PTO from year-to-year or may be paid for any or all accrued PTO at any time.

New employees who average at least 30 hours per week (as defined herein) during their first six months of employment shall receive one paid personal day on their six-month anniversary to be used or paid out prior to the employee's one-year anniversary.

Full time employees (employees who average 30 hours of work per week over the past calendar year) shall accrue PTO as follows*:

YEARS OF SERVICE	PTO days	Unpaid days
90 days	3 days***	
6 months	1 day	0
1 year	5 days	2
3 year	6 days	5
5 years	8 days	3
8 years	9 days	2
10 years	12 days	2
13 years	13 days	2
16 years	14 days	2
20 years	15 days	2

***California drivers only

The Employer in determining PTO schedules will respect seniority and the wishes of employees. The Employer shall respond in writing within 48 hours to employee requests for paid time off made five (5) days in advance. Failure by management to respond to the request(s) results in an automatic granting of PTO to the employee and shall not be denied. This will not prevent employees from requesting paid time off with less than five (5) days' notice which must be approved by management.

As of the first payroll after ratification, despite any practice to the contrary, Road drivers shall be paid PTO at their road rate. Hybrid drivers (drivers who are regularly scheduled at least 1 day on the road) shall be paid PTO at the road rate.

Part time employees who average between 15 hours per week and 30 hours per week over the past calendar year with six (6) months of continuous service shall be eligible for ½ of the above number of personal days with each full day representing 8 hours of paid personal time off and each ½ day representing 4 hours of paid personal time off.

For purposes of calculating the 30 hours of work per week in the past calendar year, work hours missed due to an approved absence under the terms of this agreement, including approved medical leave, bereavement leave, Union leave, jury duty leave, Family and Medical Leave or use of accrued paid personal time off, shall not count as hours of work missed nor shall it count as hours worked for the purposes of computing an employee's eligibility for paid time off.

For example, if an employee actually worked 1800 hours in a calendar year and none of the employee's time off was excused for any of the reasons set forth above, for the purpose of computing employee eligibility for paid time off, this employee would have averaged 34.62 hours of work (1800 hours/52 weeks). If the employee worked 1800 hours but took 40 hours of time off (1 week) for paid time off and 160 hours (4 weeks) was time off on Family Medical Leave and 200 hours was unexcused time off, for the purpose of computing eligibility for time off, the employee would have averaged 38.30 hour of work for the year (1800 hours/47 weeks (as 5 weeks of the 52 weeks were excused time off)).

If an employee is scheduled to work 30 hours a week and works all hours this would equal 1664 hours for the year. If the employee takes off 3 excused days (or 3/4 of a week for this employee) the employee actually works 1640 hours. This time would be divided by 51.25 as the employee took off excused 3/4 of their work week (3 of the 4 days). This averages 32 hour per week.

Finally, for the purpose of determining whether an employee is eligible for paid time off only, the Employer shall round up the average hours worked so that 29.1 hours would be rounded to 30 hours and the employee would be eligible to receive paid time off in accordance with the other provisions of this Article.

PTO hours are not considered time worked and thus does not count towards overtime calculation. For each paid day off, employees shall receive 8 hours of pay at their hourly rate.

Part-time employees shall be entitled to ½ of the above stated allotment as set out in the Agreement, but any such ½ allotment will be subject to a 24-hour minimum grant on an employee's date of eligibility.

PTO PAYOUT

Any employee who is discharged, quits, is laid off shall be paid their whole PTO allotment within the next pay period. PTO may be rolled over year to year or cashed out by the employee at their discretion.

ARTICLE 29 HEALTH INSURANCE

SECTION 1:

The Employer shall continue to provide the current medical insurance plans. If there is a substantial change, the Employer and the Union will meet 90 days prior or earlier to discuss changes.

SECTION 2:

ARTICLE 30 JURY DUTY PAY

An employee called to serve on a jury shall receive, as a minimum for all such service during the term of this Agreement, the difference between eight (8) hours' straight time pay and the jury pay. Hours spent on or paid for jury duty will not count as hours worked for overtime purposes. The Employee must supply documentation for jury duty and hours compensated by the State.

ARTICLE 31 HOLIDAYS

The holidays recognized by this Agreement shall be as follows: Martin Luther King Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day, Christmas Eve, New Year's Eve.

Employees who do not work the holiday do not receive holiday pay for the holiday. However, if an employee works the holiday, the employee shall receive time and one-half for all hours worked on such holidays. The holiday period is midnight to midnight and employees shall be paid for all time worked in the holiday period at time and one-half or higher where applicable. This means when an employee is already in the state of receiving overtime, they shall receive Holiday pay at the time and one half of time and one-half rate of their regular rate of pay. For example, an employee that earns \$12 an hour and is paid \$18 per hour at their time and one-half rate. If the employee has worked 40 hours or more in a week and the Holiday comes up and they work the Holiday, they shall be paid time and one half of time and one half which would equal to \$27 per hour.

ARTICLE 32 RETIREMENT

Employees are currently offered the same 401(k) plan as non-bargaining unit employees. For the duration of this Agreement, all bargaining unit employees shall be eligible to participate in the same retirement plan as that offered to non-bargaining unit employees and shall receive such improvements. The Employer reserves the right to change the terms of the plan for bargaining unit employees so long as the plan is the same as that offered non-bargaining unit employees, however, prior to any implementation of such new plan, upon request the Employer shall meet with Union to discuss any such changes.

ARTICLE 35 WAGES

SECTION 1: BARGAINED WAGE INCREASES

The Employer shall not give additional or unscheduled increases to bargaining unit employees without first bargaining with the Union over any such increase.

All mid-term increases bargained by the parties shall maintain the wage difference above a location rate obtained by an employee through contractual raises. Stated another way, drivers with years of service that have received wage increases above their location rate shall maintain their rate of pay above the other wage rates in that location when raises are given to all employees of that location. For instance, an employee earns \$12.30 per hour in a location where the base rate is \$12.00. There is then an increase of \$.50 to the base rate making it \$12.50. The employee earning \$12.30 shall then earn \$12.80

Location rates shall remain 2% or above the minimum wage of any given location during this contract.

SECTION 2: TRAINING

Bargaining unit employees will not normally be required to train other employees. However, if a bargaining unit employee is required to train other employees during his or her shift, he/she shall receive a \$50.00 training bonus, in addition their wages, following the completion of training each trainee in addition to their normal pay for the yard shift, or road or shuttle trip. Bonuses are paid on the pay date following the training date.

In the event that two drivers participate in the training of a new employee, each driver shall receive a \$25.00 bonus as set forth above.

The Employer will retain sole responsibility for selecting trainers, who will typically be selected from the department where the training will take place. It will, however, periodically circulate a sign-up sheet to determine which employees are interested in becoming trainers, and in selecting new trainers will fairly consider previous training experience and overall qualifications of the candidate(s).

All bargaining unit employees are encouraged to receive at least 24 hours of paid training with a driver trainer.

Within 90 days of the ratification of this contract, the Union and Employer shall meet to discuss develop criteria for trainers in all locations.

SECTION 3: REIMBURSEMENT OF EXPENSES

Paychecks will be mailed to the employee's home address on file with the Employer and the Employer will mail the checks at a minimum two days before the scheduled pay date. Pay checks will normally be mailed three days in advance of the pay date. The employee will hold the Employer harmless if a check does not arrive on the scheduled pay date as long as the Employer mailed at least two days in advance of the schedule pay date. The Employer will pay a daily (9pm--6am) and weekend (9pm Friday--6am Monday) shift differential of .30/hour effective the first pay period for 2019 for hours worked at the appropriate yard or road rate during these window period hours. The shift or weekend differential will be triggered by the start trip/shift time in the window period. Once the differential is triggered the entire yard shift and the entire road trip will include the differential. This is subject to change based on a conversion of the trip management system which would pay the actual hours worked during the window period which will be implemented March 1, 2019.

SECTION 7. ROAD RATES

The Road Rate premium paid on top of the drivers yard rate for performing unscheduled work shall be maintained for the duration of this contract. Should the minimum wage or location rate in a city, county, or state change, the Employer shall maintain the wage difference above a location rate obtained by an employee through minimum or location rate wage increases. For instance, if the differential in the Road Rate premium is \$1.00 per hour and minimum wage or location rate increases by \$.50 per hour and the Employer raises the Yard Rate by \$.50 per hour, the Road Rate premium shall also increase by \$.50 per hour.

SECTION 11. MINIMUM WAGE

Where minimum wage affects the Location rate (or for that matter if minimum wage goes up in the future during the term of the contract), the Employer shall ensure that the lowest rate paid to the employees would be at least 2% above the minimum wage rate.
