- a. This Agreement is entered into March 1, 2020 by and between Lockwood Hills Federal, LLC (hereinafter called the “Employer”) and the United Electrical, Radio and Machine Workers of America, and its affiliate, UE Local 228, (hereinafter called the “Union”). Subcontractors of the Employer shall also be bound by this Agreement, except as otherwise provided in the Agreement.
- b. This Agreement is entered into March 1, 2020 by and between DTSV, Inc. (hereinafter called the “Employer”) and the United Electrical, Radio and Machine Workers of America, and its affiliate, UE Local 228, (hereinafter called the “Union”). Subcontractors of the Employer shall also be bound by this Agreement, except as otherwise provided in the Agreement.
- c. This Agreement is entered into March 1, 2020 by and between Senture (hereinafter called the “Employer”) and the United Electrical, Radio and Machine Workers of America, and its affiliate, UE Local 228, (hereinafter called the “Union”). Subcontractors of the Employer shall also be bound by this Agreement, except as otherwise provided in the Agreement.

ARTICLE 2 - RECOGNITION

The Employer recognizes the UE as the sole exclusive bargaining agent for all regular full-time and regular part-time clerical employees engaged in file maintenance and processing, including Couriers/Drivers, Truck Drivers (Medium), Truck Drivers (Heavy), General Clerks I, II and III, Customer Service Representatives I and II, and Data Entry Operators I and II employed by the employer and its subcontractors, at the U.S. Department of State National Visa Center located at 31 and 32 Rochester Avenue, in Portsmouth, New Hampshire (hereinafter called the “NVC”); but excluding all other employees, administrative assistants, professional employees, managerial employees, guards, confidential employees, HR support employees, team leaders and supervisors as defined in the National Labor Relations Act for the purpose of collective bargaining with respect to rates of pay, hours of work and all other conditions of employment.

Representatives of the local union shall be granted up to twenty (20) minutes for union orientation during the formal orientation for new employees either as a group or with individuals. When the Employer does not have a formal orientation program, the Employer will notify the Local Union President or Chief Steward that an employee(s) has been hired. The Employer will allow, as the Union may elect, up to twenty (20) minutes for the union orientation with the new employee to be scheduled by the Employer within thirty (30) days of the date of hire. The union orientation shall be without loss of pay for the new employees.

ARTICLE 3 - MANAGEMENT RIGHTS

A. All management functions and responsibilities, whether or not possessed or exercised by the Employer prior to execution of this Agreement are reserved exclusively to the Employer, except to the extent that same are expressly restricted by a specific provision of this

Agreement; however, the exercise of the functions and responsibilities set forth in this Section shall be neither arbitrary nor capricious.

B. The management functions and responsibilities referred to in Section A above shall include, but not be limited to, the right:

- to determine qualifications, eligibility, security and licensure requirements of bargaining unit positions;
- to conduct interviews, or not, and to determine who gets to participate in the interview process;
- to make hiring decisions;
- to require physical and/or medical examination of employees, as required by law;
- to perform evaluations and establish evaluation procedures;
- to determine and enforce reasonable performance and quality standards and productivity requirements;
- to discipline, discharge, lay off, assign, transfer, promote and demote employees;
- to determine and change shifts, starting and quitting times and number of hours to be worked;
- to determine meal and break times and duration;
- to require overtime, work on weekends, holidays, and time-off;
- to make and/or change work assignments;
- to organize, enlarge, reduce or discontinue a function, position, department, or location;
- to determine whether any part of the whole organization shall continue to operate;
- to determine the size and composition of the work force at any single location;
- to require employees to use new technology, tools, equipment or labor saving devices;
- to establish new jobs or change job content;
- to establish, change, administer and enforce work rules, policies and procedures relating to the job duties performed by bargaining unit employees;
- to determine training needs, and how and when personnel shall be trained;
- to provide, eliminate or change terms of benefits offered by the Employer;
- to determine the manner, means and methods by which all operations of the Employer shall be carried out;
- and to take such other action as the Employer deems necessary to maintain the efficiency of its operations.

C. All management functions and responsibilities specifically reserved to the Employer in this Agreement are retained by and vested exclusively in the Employer. The Employer's exercise of any management right or function in a particular manner shall not preclude the Employer from exercising same in any other manner which does not expressly violate a specific provision of this Agreement. The Employer's failure to exercise any right or function reserved to it shall not be deemed a waiver of its right to exercise same.

D. None of the provisions of this Agreement shall operate to preclude the Employer from taking such action, as it deems necessary for the care and protection of government employees, visitors, employees, equipment and facilities in the event of an emergency.

E. Other employees, including professional, managerial, supervisory or clerical employees, may perform work usually done by employees in the bargaining unit. The fact that such other employee does a regular amount of bargaining unit work, will not result in his/her being included in the bargaining unit. Under no circumstances will any bargaining unit employee be paid for work performed by such other employee or volunteer.

ARTICLE 4 - NO DISCRIMINATION

The Employer and Union agree that there shall be no discrimination based on race, color, religion, gender, disability, age, national origin, gender identity, sexual orientation, or any other unlawful criteria as those terms are defined under federal, state and local laws and regulations governing employment. It is agreed that there shall be no discrimination, interference, restraint or coercion by either party against any employee because of his or her membership or non-membership in the Union. Neither party shall retaliate against an employee for participating in the grievance process or an Employer investigation.

Any alleged violations of this article may be reviewed between the parties through the grievance process, but the parties agree that alleged violations of this article shall not be brought to arbitration if the employee elects to use procedures available under state or federal law.

ARTICLE 5 - GENDER NEUTRAL

All references to “employee,” “employees,” “she,” “he,” “her,” “him,” “his,” or “hers” in this Agreement refer to both male and female employees. These terms are used solely for brevity and do not imply or refer to a particular sex or gender, or reflect any discrimination by either Party.

ARTICLE 6 - UNION SECURITY

Subject to applicable law, all employees of the Employer covered by the Agreement who are members of the Union in good standing on the effective date of this Agreement or who become members of the Union in good standing following the effective date of this Agreement shall as a condition of employment remain members of the Union in good standing insofar as the payment of periodic dues and initial fees, uniformly required, is concerned.

Subject to applicable law, all present employees covered by this agreement who are not members of the Union and individuals covered by this agreement hired after the effective date of this Agreement shall as a condition of employment, beginning on the thirtieth (30th) day following the effective date of this Agreement or the thirtieth (30th) day following employment, whichever is later, become and remain members of the Union in good standing insofar as the payment of periodic dues and initiation fees, uniformly required, is concerned.

The Union agrees to indemnify and hold the Employer harmless from and against any and all claims, demands, suit, dispute or other form of liability that arises out of, or by reason of any action taken by the Employer pursuant to the provisions of this article, including the reasonable costs of any defense made necessary by any such liability, claims, demands, suit or dispute.

ARTICLE 7 - CHECK-OFF

Upon receipt by the Employer of a written checkoff authorization signed by the employee, during the term of this Agreement the Employer agrees to deduct from the wages of each of its employees, as so requested in writing, all initiation fees and dues or applicable Service Fees until such authorization is revoked by the employee in accordance with this Agreement. Such written authorization may be revoked by the employee by written notice to the Employer and the Union during the ten (10) day period prior to the yearly anniversary of the authorization or during the ten (10) day period prior to the termination of this Agreement.

The Employer shall deduct from an employee's wages only that amount of money which the Treasurer of the Union has certified to the Employer, in writing, is the amount of dues, properly established by the Union in accordance with applicable law and the Union's constitution and bylaws, required of all members as a condition of acquiring or retaining membership in the Union. If, for any payroll period in which the Employer is obligated to make deductions pursuant to this Agreement, the wages owed an employee (after deductions mandated by any governmental body) are less than the amount of money which the employee has authorized the Employer to deduct pursuant to any such written authorization, the Employer shall make no deductions from wages owed to the employee for that payroll period and shall make no deductions, which would have been made from wages owed the employee for that payroll period, from wages owed the employee for any future payroll period.

The deduction will be made on every regular paycheck in equal amounts as determined by the Union.

The Employer will remit by electronic funds transfer the amounts so deducted to the applicable Financial-Treasurer of UE Local 228 on or before the 20th of each month following the month in which dues were collected. The Employer will provide the Financial-Treasurer with a complete check-off list in editable Excel format on or before the date the dues remittance is sent, and by January 31st of each year will provide an annual summary of dues deductions made for each employee.

The Union agrees to indemnify and hold the Employer harmless from and against any and all claims, demands, suit or other form of liability that arise out of, or by reason of, any action taken by the Employer pursuant to the provisions of this article, including the reasonable costs of any defense made necessary by any such liability, claims, suit or dispute.

ARTICLE 8 - NO STRIKE NO LOCK OUT

It is expressly understood that the Employer's business is directly related to important and critical work of the United States Government, and that efficient and uninterrupted services must be furnished to the agency that has need of and makes use of the capabilities of the Employer. Therefore, the parties agree that during the term of this Agreement and any extension thereof:

A. The grievance and arbitration process shall be the exclusive means for the resolution of all disputes that may arise between the Parties or employee(s) and the Employer.

B. The Union, its officers, agents, stewards, and members, and all other employees shall not for any reason or in any way, directly or indirectly, instigate, lead, engage in, authorize, cause, assist, encourage, participate in, ratify, or condone any strike, sympathy strike, slowdown, work stoppage, refusal to work, refusal to cross a picket line or any other action that would or does interrupt or interfere with any of the operations of the employer.

C. Any employee or employees who individually or collectively violate the terms of this Article or participate in any activities prohibited by this Article will be immediately discharged. Any such disciplinary action shall be subject to the grievance and arbitration procedure defined herein, provided that if the Employer proves that the employee(s) did participate in such action, in violation of this provision, then the Arbitrator shall not have the authority to change the discharge.

In the event of a threat of or actual violation of this Article, the Union, its officers, agents and members agree that they will use their best efforts to prevent and/or end such prohibited conduct, utilizing every possible means to include but not be limited to:

1. Requesting through personal contact or meeting with employees that they comply with the Agreement and not encourage or participate in any prohibited conduct.

2. Notifying all employees that such prohibited conduct is unauthorized and in violation of the Agreement.

3. Informing those employees who are engaging in prohibited conduct that they should return to work and/or otherwise fully comply with the terms of this Agreement.

Violation of this Article, and any resulting liability, shall not be excused or forgiven because the Union is engaged in any form of lawful or unlawful strike or other collective activity against any other contractor, or because the employees covered by this Agreement engaged in any form of conduct prohibited by this Article in support of or in sympathy with the employees of any other employer who may be engaged in a strike or other form of collective activity.

In consideration of the Union's commitment as set forth above, the Employer shall not in any way, directly or indirectly, instigate, lead, engage in, authorize, cause, assist, encourage, participate in, ratify, or condone any lockout of the Employees from the facility.

ARTICLE 9 - BULLETIN BOARDS

The Employer will designate two locations in each building where the Union can install bulletin boards for the exclusive use of the Union (for a total of 4 bulletin boards). The Employer will consult with the Union to determine the locations most suitable for bulletin board placement and will make reasonable efforts to ensure that bulletin boards are placed in a prominent location regularly visited by the majority of employees. The bulletin boards shall be glass enclosed and have a locking mechanism. The Union shall submit all proposed postings on the bulletin boards to the Employer for prior approval except:

1. Notices of Union meetings;

2. Notices of elections of Union officials and the results of such elections;
3. Notices of recreational and social events.

The bulletin boards shall not be for the posting of any material derogatory to the Employer or its employees. Similarly, the Employer shall not post any material derogatory to the Union or its employees on Employer bulletin boards.

The Union and the Employer acknowledge that the Employer's obligation under this provision is subject to the Government's agreement allowing the placement of the bulletin boards in the buildings referenced in this Article, and is subject to any installation requirements imposed by the Government. Further, any costs associated with the installation of the bulletin boards will be borne by the Union. The Union agrees that postings will not violate state and federal laws, regulations or rules. The Union will address any objections to the application of such laws, regulations or rules directly to the applicable agency.

ARTICLE 10 - DISCIPLINE AND DISCHARGE

Except as otherwise provided with respect to probationary employees, the Employer shall have the right to discipline, suspend, or discharge employees for just cause.

It is understood that any employee who is suspended by Human Resources pending an investigation into an alleged wrongdoing shall not be paid for the term of the investigatory suspension. However, if the suspension extends beyond two (2) weeks through no fault of the employee, they will have their pay reinstated going forward at the end of the two (2) week period until a final decision has been made. If an employee is placed on investigatory suspension, the Employer will provide notice of the suspension as soon as possible to the Union Chief Steward and/or the Union National Representative.

If necessary, the Employer shall provide access to interpretive services to facilitate the investigatory and disciplinary process.

During a meeting which an employee reasonably believes could lead to disciplinary action, the employee may request that a union steward be present. If asked, the Employer will inform the employee of the purpose of the meeting.

ARTICLE 11 - GRIEVANCE AND ARBITRATION PROCEDURE

The Employer and the Union shall make good faith efforts to discuss and, if possible, to resolve grievances informally and in a timely manner.

The exclusive means to resolve any dispute involving the application or interpretation of the terms and provisions of or alleged violations of this Agreement should the parties not be able to resolve the grievance informally, unless otherwise provided in the Agreement, shall be the following procedures:

Step 1 — Within ten (10) business days of the event which gave rise to the dispute, any matter of contention between an employee, or the Union and the Employer initially shall be presented by the employee, and fully discussed, with or without a steward, between the affected employee or

the Union and the Unit Manager in order to resolve the matter. For events involving discipline, Step One shall be initiated within ten (10) business days of the Employer notifying the Union of the discipline by way of sending an electronic copy of the discipline to the Chief Steward or designee. The responding party must provide a response within five (5) business days of the Step 1 meeting.

Step 2 — If the matter is not resolved at this Step 1, the Union may advance the matter to Step 2 within five business days of the Step 1 response. The Union may submit a grievance by reducing it to writing on a form approved by the parties and submitting the written grievance to the Assistant Operations Manager, or designee. The written grievance shall set forth a statement of the dispute, including the date the event(s) occurred that gave rise to the grievance, the details of the event, the Article(s) of this Agreement allegedly violated, and the specific remedy or relief requested.

The Assistant Operations Manager, or designee, and the Chief Steward or designee shall discuss the grievance at a mutually agreeable time but no later than ten (10) business days after the Step 2 grievance has been submitted in an effort to resolve the dispute. The Employer will provide a written electronic response to the grievance to the Chief Steward, or designee, within ten (10) business days of the Step 2 meeting.

Step 3 — If the grievance is not resolved at Step 2, the Union may advance the grievance to Step 3 by submitting a written request to the Operations Manager, or designee, within ten (10) business days of receiving the Step 2 response. The parties shall discuss either in person or via teleconference the Step 3 grievance at a mutually convenient time, but no later than ten (10) business days after the Step 3 request was submitted to the other party, in an effort to resolve the dispute.

The Employer shall provide the Union with a written response to the grievance that either memorializes the parties' resolution of the grievance or responds to the grievance's allegations within ten (10) business days of the date of the Step 3 discussion.

A grievance involving a disciplinary suspension or a discharge, or those which affect employees in more than one department may be initiated under Steps 2 or 3 above.

All grievances at Step 2 and 3 of the procedure set forth in this Agreement shall be signed and dated by the aggrieved employee and/or the Union Steward. All written answers submitted by the Employer shall be signed and dated by the appropriate Employer representative.

No aggrieved party shall have any right to invoke the grievance procedure except as provided above, nor the arbitration procedure except as provided below. In this regard, the time limitations set forth in this Article are intended to be strict statutes of limitation and any grievance and/or request for arbitration shall be null and void if at any Step in the Grievance process the Union fails to advance the grievance to the next step within the required time. Such grievance will be considered closed and there shall be no further appeal or review. If the Employer fails to respond within the required time, the Grievance shall be treated as denied and will automatically be advanced to the next Step in the Grievance process, with the exception of Arbitration. The time limits specified herein may be extended by the mutual written agreement of the Employer and

the Union. The stated time limits are the maximum periods of time allowed and do not preclude the Employer and the Union from cooperating to process a grievance more quickly than required by this grievance procedure.

If the Employer's answer in Step 3 of the Grievance process is not satisfactory, the grievance procedure shall have been exhausted. In accordance with the procedures set forth below, the Union may submit the matter to arbitration.

ARBITRATION

If a grievance is not resolved in Step 3, the Union may appeal the dispute to arbitration by notifying the American Arbitration Association or arbitrators from a predetermined list agreed to by the parties, with a copy of the notice simultaneously sent to the other party, of its intent to arbitrate the dispute. Such notice must be sent within thirty (30) calendar days after the date of the responding party's Step 3 response. Failure to submit the grievance to arbitration in a timely manner shall terminate that grievance and relieve the Employer against whom the grievance was filed of any responsibility to provide a remedy for the alleged violation.

Reporting of Arbitration Proceeding: Either party or both will be allowed to have the arbitration recorded and reported by a certified court reporter. If both parties agree to retaining the services of a court reporter for recording and reporting the arbitration proceedings, and/or if both parties obtain a copy of the arbitration hearing transcript (no matter which party initially retained the court reporter), payment of the fees and costs of the court reporter and the cost of the arbitration hearing transcript for the arbitrator shall be shared equally by the Employer and the Union. If only one party retains the court reporter and obtains a copy of the hearing transcript, the party shall bear the fees and costs of the court reporter and the cost of the hearing transcript for the arbitrator. In either case, each party shall bear its own costs for its copy of the arbitration hearing transcript.

Arbitrator's Jurisdiction: The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; to impose on either party a limitation or obligation not explicitly provided for in this Agreement; or to establish or alter any wage rate or wage structure. Similarly, the Arbitrator may not find contract violations or impose a remedy in excess of that which was set forth in the aggrieved party's written remedy at Step 3.

The arbitrator may award back pay or other monetary damages provided that neither party nor any employee(s) shall be liable for, nor shall the arbitrator award, any back pay or other monetary damages prior to ten (10) business days preceding the filing of the Step 2 grievance. Any settlement arrived at in accordance with the provisions of the above paragraphs, or the decision of the arbitrator made pursuant to the provisions of the above paragraphs, shall be final and binding upon all parties to such matter.

Fees and Expenses of the Arbitration: The expenses of the arbitration, including the arbitrator's fees and expenses, and the cost of the hearing room shall be shared equally by the Employer and Union. Except as specifically provided in this provision, each party shall bear its own arbitration expenses, including costs and fees of its representatives, attorneys, witnesses, and its copy of the transcript.

All time spent by Stewards or witnesses participating in the arbitration process shall be unpaid.

ARTICLE 12 - UNION STEWARDS AND VISITATION

The Employer agrees to recognize the Stewards duly authorized by the Union to represent those employees covered by the terms of this Agreement.

The Union shall provide the Employer with a complete, current roster of all Local 228 Union Stewards no less frequently than annually. The Employer will only recognize those stewards whose names are contained in the current roster or who are identified as a Steward by the Chief Steward. It will be the Union's responsibility to maintain and provide a complete, current roster.

To minimize work disruptions, stewards should attempt to conduct their work outside of their scheduled work time. If a steward is called to act in a representational capacity, the steward will inform her supervisor that she must step away from her work assignment for steward's business. If the work concerns attending an investigation meeting, a meeting with management as provided below, or a grievance with an employee, the time shall be paid and noted as paid union time, up to a maximum of 16 hours combined for all stewards per month. For all other union activities, the steward shall not be paid by the Company. If there is a pressing work assignment (e.g. an emergency file pull), the steward will either find another steward to act as a representative or wait to step away until the pressing work assignment is complete. If a steward needs to enter a work area other than her own, she will notify the area supervisor of her presence and the person to whom she wishes to speak. If the discussion cannot be concluded with a brief (i.e. 5-10 minute) meeting, the steward and employee will determine an appropriate time to meet outside of their scheduled work time. If compelling circumstances require immediate discussion, the supervisor will permit the employee time off to meet with the steward, without loss of pay.

It is agreed that the Employer shall not be required to pay a Steward or an employee for any time that the Steward or employee is away from work to serve the Union in any official capacity or to serve on any Union committee.

Subject to existing security regulations, the authorized National Union Representative shall have access to the Employer's work areas during working hours for the purpose of investigating grievances that have arisen, attending meetings in accordance with the Grievance Procedures, and ascertaining whether or not this Agreement is being observed. Any such visits shall be at reasonable times and intervals (no more frequently than weekly unless reasons for visits are urgent or compelling). The Representative shall provide the Employer's Operations Manager, with as much advance notice as possible and the information required by the US Department of State to provide adequate time to process and disseminate the visit request. The representative shall report to the Operations Manager's office before entering the work area and be escorted by a management representative or by a bargaining unit employee who has obtained approval from their supervisor in advance with proper government authorization at all times. Visits with employees in work areas shall be brief and Management shall have the right to withdraw permission at any time it determines that such visits are interfering with employees' work. Approval will not be unreasonably denied.

ARTICLE 13 - PROBATIONARY/TEMPORARY EMPLOYEES

All new or rehired employees shall be probationary until their 90th calendar day of employment at which time they acquire seniority status. During the probation period, a probationary employee may be discharged by the Employer without challenge. Individual disciplinary actions taken against employees while in probationary status may be grieved pursuant to Article 11, Grievance and Arbitration Procedure, but are not subject to arbitration. An employee's seniority shall accrue during the probationary period. The Employer may extend the probationary period for one 30-day period with the mutual consent of the Union, which shall not be unreasonably denied.

The Employer may hire temporary employees, but no temporary employee shall be employed more than four (4) months in a twelve (12) month period.

ARTICLE 14 - SENIORITY

1. Bargaining unit seniority ("seniority") shall be computed as provided below:

A. Each employee shall accumulate seniority for service with the Employer and/or service at the DOS National Visa Center in a position within the bargaining unit as defined by Article 2 of this Agreement. If application of the preceding sentence results in two (2) or more employees having the same seniority, the employee whose name appears earlier on the Employer's alphabetical listing of employees, last name in ascending order, shall be deemed more senior. Seniority shall be applicable only as expressly provided in this Agreement.

2. An employee will lose seniority and her or his employment with the Employer will be terminated under the following conditions:

A. Discharge for just cause

B. Resignation of more than 6 months. An employee returning to work within 6 months of resignation will have their seniority date adjusted to reflect the period of the absence from the workplace.

C. Failure to respond to recall notification within three (3) business days after notification by the Employer to return to work. It shall be the responsibility of the employee to keep the Employer advised of her current address.

D. Failure to be recalled from Layoff within 12 months.

E. Failure to report to work upon the expiration of an approved Leave of Absence

F. Accepting other employment while on an approved Leave of Absence without the prior permission of the Employer, or acting in a manner inconsistent with the conditions of the leave. It is understood that this does not apply to Union leaves of absence.

G. An employee is absent from work and fails to call in to report her absence for a period of three (3) consecutive work days.

H. Settlement of a Worker's Compensation claim for total permanent disability.

The Employer shall provide the Union President with a current seniority list on a quarterly basis.

Bargaining unit employees who take on a position that is not a bargaining unit position and then return to a bargaining unit position within one year shall maintain their seniority.

ARTICLE 15 - LAYOFF AND RECALL

The Employer solely will determine the timing of layoffs, the affected job classification, the department, and the number of employees to be laid off. A uniform reduction in the number of hours scheduled in a workweek for all employees in a seniority pool shall not constitute a layoff. In the event that the Employer determines there is a need to reduce the workforce, employees in the affected job classification in the affected department shall be selected for layoff in the following sequence:

1. Temporary Agency personnel ("temporaries") performing work in the affected job classification and department shall be released first, provided the bargaining unit employees have the ability and qualifications to perform the remaining work.
2. Probationary employees, provided the bargaining unit employees have the ability and qualifications to perform the remaining work.
3. Bargaining unit employees having the lowest seniority.

Bargaining unit employees will be given two (2) weeks' notice of layoff or pay in lieu of notice, at the discretion of the Employer.

A copy of the layoff notice will be given to a Union Steward.

Before any bargaining unit employees are laid off, the employer shall first ask for volunteers to be laid off. The Employer may also ask for volunteers to work part time in the affected job classifications. If there are a greater number of volunteers to work part time than is needed, the Employer shall award the positions to the most senior volunteer employees. If an insufficient number of employees volunteer for layoff or part time positions, then the procedure outlined above will be implemented.

If an employee selected for layoff has previously worked in another department in the same or another job classification which is the same pay rate or lower then such employee may displace the least senior employee in another classification, so long as it does not take more than one week of training to enable that employee to perform the duties of the position.

RECALL FROM LAYOFF

If the Employer determines to fill a vacancy, employees shall be recalled by seniority. The Employer will forward notice of recall by certified mail to the last known address of the employee reflected on Employer records. No later than the date on which such notice is mailed to the employee, the Employer shall notify the Union of the recall by sending an electronic copy

of the notice to the local President or designee. The employee must, within three (3) business days of attempted delivery of the notice of recall, notify the Employer using the procedure specified in the notice of recall of the intent to return to work on the date specified for recall, and, thereafter, return to work on such date.

It is understood that:

- Current employees who were displaced to a different position during a layoff will be offered the opportunity to return to their previous position prior to implementing the recall procedure.
- Any employee who volunteered and was made part-time shall have her full-time hours restored before employees on layoff are recalled.
- An employee who has been afforded the opportunity of recall under Article 15 and Article 16 who refuses such recall shall be deemed to have waived all recall rights under this Agreement except that an employee may refuse an offer to a position
 - o For which the employee lacks the minimum skills required (such as Data Entry skills for the offered position) and/or
 - o The open position is on a shift other than the shift the employee worked prior to layoff and/or
 - o The open position is in a classification other than the classification the employee held at the time of layoff.

Any employee on layoff who refused an offered position under the terms described above shall continue to have full recall rights for twelve (12) months from the date of layoff as described in Article 14, Seniority, of this Agreement.

ARTICLE 16 - JOB POSTINGS

A. Posting Requirements

1. If the Employer determines that there is a job vacancy, the Employer shall post the vacancy for five (5) work days on the job posting bulletin board by the cafeterias. Employees who are currently employed and have been in their position for at least 6 months may apply for such vacancy. The Employer may waive the 6 months requirement.

B. Movement Within the Same Functional Area/Department

1. After the posting period expires, the Employer shall award the position to the employee with the most seniority so long as the employee satisfies the minimum requirements for the job. If there is an unfilled opening in the department, the Employer may move the least senior qualified employee who is working on the same shift to that opening.

C. Openings in GC I, DEO II, or CSR I Position

1. After the posting period expires, the Employer shall award the position to the most senior qualified applicant.

D. Openings in GC III, or Truck Driver Position

1. The Employer may advertise externally at the same time as any posting.

2. After the end of the posting period and if the position was not filled through the procedures above, the Employer shall award the job to the most qualified internal applicant, unless none of the applicants is qualified. If two or more qualified internal applicants have relatively equal qualifications, selection will be by bargaining unit seniority. Applicants with less than one year of seniority will not be considered for the position unless no qualified applicant has at least one year of seniority. Qualifications may include prior work experience, prior training, performance, disciplinary and attendance histories.

E. Trial Period

1. If an employee is unable to perform the new job to which they bid within sixty (60) work days after being awarded the job, the employer may return that person to the job classification held at the time of submitting the bid.

F. Drug Testing

1. If an existing bargaining unit employee moves to another bargaining unit position, the bargaining unit employee will not be required to take a drug test unless required by Department of State. If required by Department of State, the drug testing will be conducted on paid time.

ARTICLE 17 - HOURS OF WORK

The workweek shall consist of seven (7) consecutive days as scheduled by the Employer. Within each workweek, the Employer will establish regular work schedules for employees.

For a regular, fulltime employee the work schedule shall consist of forty (40) hours of work on five (5) consecutive days within a workweek, unless the Employer gives notice as provided below.

To the extent possible, the Employer will provide 30 days' notice to the Union in the event of a change to the then current workweek, work schedules or shift(s) and will commence bargaining over the effects of such a change. No provision of this Agreement shall be construed as a guarantee of any specific number of hours of work either per day or per workweek.

All employees shall receive a fifteen (15) minute paid break for every four (4) hours worked.

All employees who work more than five consecutive hours a day shall receive a thirty (30) minute unpaid break. Employees may waive their right to either their first or their second unpaid meal period if they are working 10 hours or more in a single day by signing the form provided by the Employer.

ARTICLE 18 – DUTY TO COOPERATE

The Employer and the Union agree to cooperate to work towards creating a work environment that is respectful, efficient, responsive, and accountable.

ARTICLE 19 – EMPLOYEE SAFETY AND HEALTH

The Employer and the Union shall cooperate in continuing the objective to eliminate accidents and health hazards at its site during the hours of employment and in accordance with federal, state, and local law. In complying with this objective, the Union and the Employer recognize that employees covered hereby are performing services for the U.S. Government in U.S. Government facilities and by use of U.S. Government equipment and fixtures. The Employer is not authorized to maintain, modify, or repair such government facilities nor fixtures except as contractually directed.

The responsibility for achieving and maintaining a safe work environment is shared by the Employer, the Union, and each of the Employees. All Employees shall perform their duties in a safe manner.

As required by applicable law, a Joint Loss (Safety and Health) Committee, consisting of an equal number of employee representatives designated by the Union, and employer representatives designated by the Employer, shall be established (with a minimum of four (4) representatives from each side). The Committee shall meet at mutually agreeable times, but not less frequently than quarterly. Unless extended by the mutual agreement of all members of the Committee, each meeting of the Committee shall be limited to a duration of one (1) hours. The Committee shall be established no later than sixty (60) days following the ratification date of this Agreement. The Committee may consider such matters relating to safety and health as the members designated by the Union and members designated by the Employer mutually agree, and may make recommendations to the Employer regarding such matters. Scheduled work hours lost by the employee members of the Committee shall be with pay.

Any unsafe condition shall be reported to the immediate supervisor. No Employee shall be disciplined for refusal to work on any job where the employee has a reasonable and good faith belief that the job presents an abnormally dangerous condition or an imminent hazard to safety and health of the employee.

Likewise, no alleged violations of the above section of this article shall be reviewable through the arbitration provisions of this agreement.

Implementation Side Letter:

The parties agree that the current Joint Loss (Safety and Health) Committee shall continue through June 30, 2017 and that the Joint Loss (Safety and Health) Committee in the new CBA will begin on July 1, 2017.

ARTICLE 20 – EMPLOYEE RECORDS

Upon submitting a request to Human Resources, employees shall be allowed to review their official personnel records at a mutually convenient time and place. The employee must view the personnel record in the presence of an HR representative, supervisor or site administrator. A reasonable number of copies of non-confidential or non-proprietary information will be provided to the employee upon request. The Employer shall provide employees with a copy of all or part of their personnel records if requested, excepting confidential or proprietary information which may be viewed but not copied.

ARTICLE 21 – TRAINING

The Employer and the Union recognize the value of providing adequate training to employees, including employees who are temporarily or permanently assigned to new or different duties, and agree to cooperate to achieve that objective. The responsibility for achieving this goal is shared by the Employer, the Union and each affected employee, recognizing that only the Employer has the ability to provide and implement training opportunities.

When a bargaining unit employee is authorized and directed by management to provide specific training to another bargaining unit employee, the bargaining unit employee who is providing the training will be paid at the rate of a GC3 for the hours worked providing training. Training includes activities such as (i) providing direct instruction on a specific process or procedure, (ii) answering specific questions as part of an overall training assignment, (iii) demonstrating proper technique or process while providing explanations and answering questions. It does not include activities such as observation or monitoring, when the experienced employee does not interact about the work with the non-experienced employee nor does it include answering occasional questions from employees, visitors or management unless the employee is engaged in a specific authorized training assignment.

ARTICLE 22 – GOVERNMENT FURNISHED EQUIPMENT

In the course of their employment with the Employer, employees are furnished and work with U.S. Government and/or Employer-furnished equipment, property and materials. Each employee is responsible to take reasonable care of the equipment, property and materials they work with during their work hours, and will use her best efforts to notify the Employer of any damage to or defects in such equipment, property and materials.

ARTICLE 23 – GOVERNMENT CONTRACTOR SECURITY

The parties jointly recognize that the Employer is a contractor to the U.S. Government and as such performs work in a U.S. Government facility and that it must comply with the security and facility requirements and directives of the U.S. Government. The Employer shall report information regarding employees to the extent that it needs to fulfill its obligations to the U.S. Government or to comply with applicable law. Should the U.S. Government direct that any employee(s) be removed from the facility or be prohibited from performing any work on this contract, the Employer will attempt to determine the reasons for that direction, and if appropriate attempt to get the direction reversed. However, if the U.S. Government does not change its

direction, the employee's employment will be immediately terminated. The Employer's compliance with those directives and termination of the employee's employment shall not be subject to the Grievance and Arbitration Procedure except as to the fact of the Employer's action having been taken at the direction of the U.S. Government.

As a contractor performing work on a Federal contract, the Employer is required at all times to fully meet its contractual obligations. Nothing in this Agreement is intended nor will any provision of this Agreement prevent the Employer from fully meeting its obligations and responsibilities as a contractor. The Union fully recognizes that from time to time, the Government may impose various demands or obligations upon the Employer and that the Employer and its employees must meet such demands or obligations and comply with such rules and regulations as may be promulgated or imposed by the Government.

The Employer, all representatives of the Union having access to the premises, and all employees are required to comply with applicable Government security regulations when performing work for the Government.

It is understood that a U.S. Government issued finding of Public Trust and/or security clearance is required in order to perform Bargaining Unit work and that such a finding of Public Trust and/or security clearance is a condition of continued employment with the Employer. In order to retain such findings of Public Trust and/or security clearances, employees may be subject to investigation for security clearances under regulations prescribed by The U.S. Government. A loss of such finding of Public trust and/or security clearance by the employee shall result in the immediate termination of her employment. Such termination of employment shall not be subject to the Grievance and Arbitration procedure except as to the fact of the loss of the security clearance.

In the event, however, that a review, duly made within 180 days by the appropriate government authority, shall result in a reversal of the original direction or loss of the finding of Public Trust and/or security clearance, the employee shall be returned to the job classification from which the employee was removed in accordance with the employee's accumulated seniority. Such employee shall not receive payment for wages or benefits lost during the period of removal from the classified work.

ARTICLE 24 – TEMPORARY TRANSFERS AND ASSIGNMENTS

If it becomes necessary to temporarily transfer an employee to another job or assign them to another function, the Employer shall first ask for volunteers for such an assignment or transfer. If there are more qualified volunteers than required, the Employer shall select the qualified volunteer(s) with the most seniority for the temporary assignment or transfer. If there are an insufficient number of qualified volunteers, the Employer shall select the least senior qualified employees for the temporary transfer or assignment.

The Employer shall be free to cross-train employees in multiple functions, which may be across labor categories.

Wages paid to the employee during temporary transfers and assignments shall be the employee's regular hourly rate of pay or the rate of pay for the job being performed, whichever is higher. No

employee will be assigned or transferred for a period in excess of 90 days unless extended by mutual agreement of the parties.

ARTICLE 25 – OVERTIME

The Employer retains the right to require employees to perform work outside of and in addition to their regular work schedule, unless it is during a week with a holiday.

When such work is deemed to be needed by the Employer, it will select employees to perform this work on the following basis:

1. Qualified employees present in the department on that shift where the work is to be performed will be offered the opportunity to perform the work on the basis of seniority on a rotational basis. The Employer will make reasonable efforts to accommodate an employee's request for voluntary overtime, (e.g., by providing up to 30 minutes of additional training). If enough volunteers are not obtained within the department, all employees will be offered the opportunity to perform the work on the basis of seniority on a rotational basis.

2. If the Employer does not get enough volunteers to perform the work, it will assign the work on a mandatory basis to those employee(s) who are qualified to perform the work on the basis of reverse seniority on a rotational basis.

3. If the work is to be performed on a non-regularly scheduled work day, all employees in the job classification will be offered the opportunity to perform the work on a voluntary basis. If the Employer does not get enough volunteers to perform the work, it will assign the work on a mandatory basis in reverse seniority on a rotational basis.

Overtime will be paid at one and one half times the employee's regular rate for all hours in excess of 40 hours worked in a single workweek. Paid hours that are not worked (e.g. holiday, vacation, etc.) will not count towards overtime eligibility.

ARTICLE 26 – SHIFT DIFFERENTIALS

A. Mid-Shift. Employees who are regularly assigned to a shift for which the majority of hours scheduled (including meals and break periods) fall between 2 p.m. and 8 p.m. shall receive a shift differential equal to 25 cents for all hours worked.

B. Second Shift. Employees who are regularly assigned to a shift for which the majority of hours scheduled (including meals and break periods) fall between 4 p.m. and 9:30 p.m. shall receive a shift differential equal to 60 cents for all hours worked.

C. Third Shift. Employees who are regularly assigned to a shift for which the majority of hours scheduled (including meals and break periods) fall between 11 p.m. and 5 a.m. shall receive a shift differential of \$1.25 for all hours worked.

ARTICLE 27 – HOLIDAYS

Employees will receive ten (10) paid holidays each year, with pay at their regular straight time rate for the hours normally worked per day in recognition of the following holidays:

New Year's Day
Birthday of Martin Luther King Jr
Washington's Birthday
Memorial Day
Independence Day
Labor Day
Columbus Day/Indigenous People's Day
Veteran's Day
Thanksgiving Day
Christmas Day

Holidays shall normally be the day recognized by the Government as the holiday. Holidays observed while an employee is on vacation will not be considered vacation time.

In addition to the days designated as holidays above, the Employer shall observe the following days:

- (1) Any other day designated by Federal Statute
- (2) Any other day designated by Executive Order
- (3) Any other day designated by a President's Proclamation

Holidays granted by Federal Statute, Executive Order, or President's Proclamation will be paid contingent on the Employer being reimbursed by the Department of State.

Part-Time employees shall receive holiday pay on a pro-rated basis.

To be eligible for holiday pay, employees must be an employee of the Employer on the holiday and have recorded work hours and/or authorized leave during the week in which the holiday occurs.

ARTICLE 28 – VACATION

Vacation will be earned based on seniority as defined in Article 14 of this Agreement. Vacation time will be granted to the employee on their anniversary date, in accordance with the following schedule. Part time employees shall earn vacation as per the schedule below but on a pro-rated basis.

| | Days Per Year | Hours Per Year |
|---|---------------|----------------|
| End of First Year of service through end of Fourth (4 th) year | 10 | 80 |
| End of Fifth (5 th) year of service through end of Ninth (9 th) | 15 | 120 |
| End of Tenth (10 th) year of service and succeeding years | 20 | 160 |

Employees who currently have a vacation allotment in excess of the above schedule shall retain their existing allotment until they are eligible for additional vacation time per the above schedule.

Vacation pay will be computed and paid at the Employee's straight time base rate of pay when the leave is taken.

Unused vacation will carry over into the following year. However, the maximum number of vacation days that they can accumulate cannot exceed two and one-half (2.5) times the yearly allotment for an employee in accordance with the schedule contained herein. Hours in excess of two and one-half (2.5) times an employee's annual allotment will be paid out to reduce the employee's vacation balance to the maximum allowed.

Time missed from work, except for Holidays, Bereavement or other defined paid time off, will be treated as vacation and will be deducted from the Employee's earned accrued vacation balance.

Vacation hours, other than those hours charged as described above, must be scheduled and approved by management in advance of taking the time. Vacation requests can be submitted to a supervisor up to twelve (12) months in advance. Such requests shall be granted when practical and approved or denied within seven (7) calendar days. Vacation requests submitted to a supervisor are given a priority if the clerk did not have that same holiday the previous year. If more employees than can be accommodated request the same days off and such requests are received by management on the same day, requests granted will be determined by seniority. All vacation requests that are not in conjunction with a holiday will be granted on a first come, first serve basis. Multiple vacation requests submitted for the same time period on the same day that exceed the allowable number of employees that can be off at the same time will be decided by seniority.

In general where there are more time-off requests than can be reasonably accommodated, requests will be granted on a first come, first serve basis. However, in the event of an emergency situation, the Employer retains the right to modify vacation schedules to ensure the efficiency of

the operation at NVC. Such a modification will not be done unreasonably and the affected employee will be given as much advance notice as possible of any such modification.

Vacation may be taken in partial hour increments.

If an employee leaves employment with an employer and continues with another employer at NVC, the employee will be permitted to take unpaid time off in an amount equal to the vacation hours that were paid out. Such unpaid leave may be taken between the date of commencement of employment with the new employer and the employee's anniversary date.

Personnel are not entitled to bereavement pay if the absence takes place on an unpaid leave of absence. Regular part-time employees are eligible for paid bereavement leave on a pro-rated basis.

Employees shall be allowed to take vacation leave in addition to the Bereavement Leave specified herein in order to provide the employee adequate time to attend the funeral or other related business.

Unpaid leave may be used to extend bereavement leave with prior management approval.

The Employer agrees to follow the requirements of Executive Order 13706. Should the Executive Order 13706 be revoked, the Parties will meet and confer to revise the policy.

Implementation Side Letter: March 1, 2020 employees will receive their annual deposit of sick leave and the January 1 schedule will commence effective January 1, 2021. The March 1, 2020 deposit will be prorated to ten-twelfths of the normal allotment.

ARTICLE 31 – LEAVES OF ABSENCE

The Employer will provide employees with the following leaves of absence:

1. **FMLA and any applicable NH state law** - Leaves of absence consistent with the provisions and eligibility requirements of the federal Family and Medical Leave Act (“FMLA”)

or with applicable NH state law. An employee on FMLA shall not receive Health and Welfare dollars. Employees will qualify for FMLA leave based on service with the Employer and/or service at the Department of State National Visa Center. If an employee is required to pay additional monies for benefits continuation, the parties will meet discuss how that will occur.

2. **Leave Without Pay** - Leave Without Pay (LWOP) is for full-time employees who have worked for the Employer for six months or more but less than one year. LWOP provides eligible employees with all of the job protection benefits of the FMLA, on the same terms and conditions as applicable for FMLA leave.

3. **Unpaid Medical Leave**

Unpaid medical leave may be for up to six (6) weeks and may be extended at the Employer's discretion upon presentation of supporting documentation. It is understood that such extension shall not normally exceed six (6) months. At least 30 days before the expiration of the unpaid medical leave or sooner if a shorter time period is involved, it is the employee's responsibility to notify site Human Resources Manager or designee in writing of their intention either to return to work or to request an extension. In the absence of such notice, the employee will be considered terminated. Any request for an extension will be considered on the merits of each case. A fitness for duty to return to work must be completed before the employee returns to work.

An employee on unpaid medical leave shall not have her seniority date adjusted as a result of taking such leave. An employee on unpaid medical leave shall not receive Health and Welfare dollars. To continue coverage for any benefit programs in which she participated prior to the leave, the employee shall pay the full costs of such benefits. Acceptance of employment elsewhere, without written permission, will automatically cancel an unpaid medical leave and the employee will be terminated.

An unpaid medical leave will terminate on the date specified, or earlier, if the employee signifies that he/she will not return to work.

The Employer will do everything it can to reinstate the employee to their previous position, or a similar one, upon return from leave; however, reinstatement is not guaranteed. If the contract requirements or job requirements change while the employee is on leave and the employee is no longer qualified for the job, the Employer cannot guarantee re-employment.

Requests for unpaid medical leave will be considered on a case-by-case basis and the Employer reserves the right to decline a request, but it is understood that such requests shall not be unreasonably denied.

a. **Short Term Union Leave - For attendance at union sponsored activities.** Such leave shall be unpaid and shall not exceed a total of five (5) working days in a calendar year. The employee shall provide the Employer with as much advance notice as possible, but in no case less than two (2) weeks notice, of any request for such leave. No more than a maximum of ten (10) employees may be on union leave at any time and the Employer may reject such requests based on work

requirements, provided that approval for such leave will not be withheld unreasonably.

Such leave shall be no less than one (1) week and no more than six (6) months. The employee shall provide the employer with as much advance notice as possible, but in no case less than two weeks notice of any request for such leave. The Employer may reject such requests based on work requirements, provided that approval for such leave will not be withheld unreasonably. No more than one (1) employee may be on such leave at any time.

ARTICLE 32 – ATTENDANCE

If an employee is unable to report to work or will be arriving to work late, the employee shall notify her supervisor by telephone prior to the start of her scheduled shift. In the case of an accident or emergency, the employee shall notify her supervisor by telephone as soon as possible. It is the employee's responsibility to speak directly with her supervisor or leave a message on the supervisor's phone about the absence or tardiness. The employee shall state her name and the reason for the absence or tardiness. It is not acceptable to send a fax or text or leave a message with a co-worker as notification of the absence or tardiness from work.

It is the employee's responsibility to maintain ongoing communication with her supervisor each day of the absence. Employees may be required to provide a doctor's note to Human Resources explaining the absence or tardiness.

Management shall review the circumstances of an employee's absence and tardiness and make a determination with regard to any corrective actions to be taken. Progressive disciplinary action will generally be followed for attendance infractions; however, disciplinary action for attendance issues in concert with other disciplinary issues may be escalated. Failure to follow the appropriate notification process may also lead to corrective action.

An employee who does not report to work without following the appropriate notification process for three (3) consecutive days will be considered to have abandoned her job and may be terminated from employment.

ARTICLE 33 – EMPLOYEE BENEFITS AND RETIREMENT

The Fringe rate will increase annually to \$5.72 on January 1, 2021 and \$5.92 on January 1, 2022.

Additional Information for Members

Since 1935 the preamble of UE's National constitution has remained the same. It highlights UE's commitment to the struggle of workers, and that discrimination of any type is unacceptable. This is the basis of the rank and file structure of UE and how its most important asset is you the member, because you are the source of the union's power.

PREAMBLE

(Excerpt from UE's National Constitution)

We, the Electrical, Radio and Machine Workers (UE), realize that the struggle to better our working conditions is in vain unless we are united to protect ourselves collectively against the organized forces of the employers.

Realizing that the old craft form of trade union organization is unable to defend effectively the interests and improve the conditions of wage earners, WE, THE ELECTRICAL, RADIO AND MACHINE WORKERS (UE), form an organization which unites all workers on an industrial basis, and rank and file control, regardless of craft, age, sex, nationality, race, creed or political beliefs, and pursue at all times a policy of aggressive struggle to improve our conditions.

We pledge ourselves to labor unitedly for the principles herein set forth, to perpetuate our union and work concertedly with other labor organizations to bring about a higher standard of living of the workers.

Weingarten Rights

This is your right under a Supreme Court decision called Weingarten. If you are asked to attend a meeting with management, per your CBA you have the right to know what the meeting is about (Article – 10 Discipline and Discharge “If asked, the Employer will inform the employee of the purpose of the meeting”), per both your CBA and the Weingarten Supreme Court Decision you have the right to have a steward present “During a meeting which an employee reasonably believes could lead to disciplinary action...”

Generally, a Weingarten card reads as follows:

“If this discussion could in any way lead to my being disciplined or terminated, or affect my personal working conditions, I request that my steward or union officer be present at the meeting. Without representation, I choose not to answer any questions.”

Always ask for a steward!

Just Cause

What is a "just cause" standard? It is commonly accepted that there are seven tests as to whether a boss has used "just cause" in handing out discipline. The Bureau of National Affairs lists them as follows:

1. Was the employee adequately warned of the consequences of his conduct?

The warning may be given orally or in printed form. An exception may be made for certain conduct, such as insubordination, coming to work drunk, drinking on the job, or stealing employer property, that is so serious that the employee is expected to know it will be punishable.

2. Was the employer's rule or order reasonably related to efficient and safe operations?

Example: A boss makes a rule that all employees must wear red tee shirts and they must be tucked in so they don't get caught in machinery. An employee is fired for wearing a blue tee shirt that was tucked in. Making a rule that tee shirts must be tucked in so they won't get caught in machinery may be reasonable and related to safety, but demanding the tee shirt be red isn't related to safety or efficiency.

3. Did management investigate before administering the discipline?

The investigation normally should be made before the decision to discipline is made. Where immediate action is required, however, the best course is to suspend the employee pending investigation with the understanding that he will be restored to his job and paid for time lost if he is found not guilty.

4. Was the investigation fair and objective?

Example: If an incident happened does the employer interview everyone present or only management people who were present. If the employer refuses to interview non-management workers then the investigation may not be fair.

5. Did the investigation produce substantial evidence or proof of guilt?

It is not required that the evidence be preponderant, conclusive, or "beyond reasonable doubt," except where the alleged misconduct is of such a criminal or reprehensible nature as to stigmatize the employee and seriously impair his chances for future employment.

6. Were the rules, orders, and penalties applied evenhandedly and without discrimination?

If enforcement has been lax in the past, management cannot suddenly reverse its course and begin to crack down without first warning employees of its intent.

7. Was the penalty reasonably related to the seriousness of the offense and the past record?

If employee A's past record is significantly better than that of employee B, the employer properly may give employee A lighter punishment than employee B for the same offense.
